An Education in Femdom: Her Tied Up Toy (Femdom, Bondage, Pegging) Nina Nauheim, 2014-09-14 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play bondage spanking anal sex submissiveness and dominance All characters are 18 or older Society's mysterious leader Adam has been offered the opportunity to spend a week with her and begin to explore his true potential as a submissive It means temporary separation from Naomi but the allure of what Adam has tasted is simply too strong to ignore Once reunited with the woman whose touch thrills and controls him so perfectly Adam begins the long road of self discovery rich with challenges and with pleasures as he begins to learn what it is to have a mistress and just exactly who his is Excerpt Slowly as though she could sense my impatience Jessica's deep charcoal eyes turned towards me Adam she said simply I'm glad you could come Mistress I responded eager to try the new form of address She smiled You've heard that word have you Good We'll teach you the meaning of that word very thoroughly before you leave here A slight shiver ran down my spine God was I already getting hard She stood and walked over to me I like a new toy that arrives early in the morning she said There is so much time left in the day to try it out She laid a finger under my chin tilting my face up to meet her With a slight pressure she bid me stand and I rose to my feet my eyes never leaving hers You've been on my mind a very great deal over the past twelve hours she said to me The number surprised me Had it really only been that long I'm usually such a patient woman she went on sliding a finger within the neck of my shirt just brushing my skin What is it about you that so undermines my self control I trembled slightly at her touch and the tone of her voice Her words were deep with intensity and yet I did not believe her for a moment when she said her self control was compromised She seemed to have so much of it that it bled over and controlled me too without her being entirely conscious of it Simply having her standing in front of me looking and touching me was enough to paralyze me until next she told me to move And all nicely wrapped she murmured I can always tell an outfit chosen with care We'll put these clothes somewhere safe for the week I wouldn't want them to wrinkle Her gaze held mine as she began to strip my clothes from me A slight flush rose to my cheeks but I did not break eye contact My God she didn't beat around the bush There was the slightest hint of a challenge in her deliberate movements I am making you naked

in front of me her eyes were telling me There is no secret or thought or emotion you possess that I cannot choose to uncover
You walked in my door knowing who I was and what I wanted and now you will be utterly mine
