God Gave Rock and Roll to You Leah Payne, 2024-01-04 An entertaining history of the soundtrack of American evangelical Christianity Few things frightened conservative white Protestant parents of the 1950s and the 1960s more than thought of their children falling prey to the menace to Christendom known as rock and roll The raucous sounds of Elvis Presley and Little Richard seemed tailor made to destroy the faith of their young and in the process undermine the moral foundations of the United States Parents and pastors launched a crusade against rock music but they were fighting an uphill battle Salvation came in a most unlikely form Well maybe not that unlikely the long hair the beards the sandals but still a far cry from the buttoned up conservative Protestantism they were striving to preserve Yet when a revival swept through counterculture hippie communities of the West Coast in the 1960s and 1970s a new alternative emerged Known as the Jesus Movement and its members more colloquially as Jesus freaks the revival was short lived But by combining the rock and folk music of the counterculture with religious ideas and aims of conservative white evangelicals Jesus freaks and evangelical media moguls gave birth to an entire genre known as Contemporary Christian Music CCM By the 1980s and 1990s CCM had grown into a massive multimillion dollar industry Contemporary Christian artists were appearing on Top 40 radio and some most famously Amy Grant crossed over into the mainstream And yet today the industry is a shadow of what it once was In this book Leah Payne traces the history and trajectory of CCM in America and in the process demonstrates how the industry its artists and its fans shaped and continue to shape conservative mostly white evangelical Protestantism For many outside observers evangelical pop stars interpretive dancers puppeteers mimes and bodybuilders are silly expressions of kitsch Yet Payne argues that these cultural products were sources of power meaning and political activism Throughout she draws on in depth interviews with CCM journalists publishers producers and artists as well as archives sales and marketing data fan magazines merchandise everything that went into making CCM a thriving subculture Ultimately Payne argues CCM spurred evangelical activism in more potent and lasting ways than any particular doctrine denomination culture war or legislative agenda had before

Each service contains traditional worship music options for choir anthems and hymns. Some also include short dramas. In addition to the services, this volume provides a glimpse into the worship planning process at Wooddale Church in Eden Prairie, MN, that can help worship leaders renew their creative processes for worship. By taking a lived religion approach, media is regarded as an integral part of everyday practices of interaction, expression, and

consumption of religion Key question raised is how processes of mediatization shape alter and challenge this thriving cosmopolitan expression of Pentecostalism Current debates in the study of religion are addressed religious belonging and community in global cities the interrelation between media technology religious practices and beliefs religion media and social engagement in global cities media and emerging modes of religious leadership and authority In this empirical study pressing societal issues like institutional responses to sexual abuse of children views on gender roles misogyny and mediated constructions of femininity are discussed *Tabloid Reformata Edisi 77 Februari Minggu II 2008* Yayasan Pelayanan Media Antiokhia (YAPAMA),208-02-15 The Easy Worship Fake Book (Songbook) Hal Leonard Corp.,2006-07-01 Fake Book A beginning fake book for players new to faking Includes over 100 songs all in the key of C with chords that have been simplified but remain true to each tune Also features easy to read large music notation Songs include Above All Awesome God Blessed Be Your Name Breathe Come Now Is the Time to Worship Days of Elijah Forever He Is Exalted The Heart of Worship Here I Am to Worship I Could Sing of Your Love Forever I Give You My Heart Lord I Lift Your Name on High Open the Eyes of My Heart Shout to the Lord Step by Step We Bow Down You Are My All in All You Are My King Amazing Love You re Worthy of My Praise and more
