My What Ticklish Feet You Have:

My, What Ticklish Feet You Have James T. Medak, 2012-01 These boys don't even know how much they're being lusted after. You know the type: the young fresh out of college frat boys walking around your town in jeans and flip-flops so casual to the world but so unknowingly fantasized about by people like us. Their toes are begging to be sucked on their bare soles, dying to be licked. Unfortunately, these boys don't even know how much pleasure shoots through them through the simple act of foot worship, which means it's up to us to show them the way. Having written *HOW TO BE A TICKLE SLAVE* hailed as an instant classic by The Big Tickle Blog, James T. Medak returns for a whole new set of wildly erotic stories about young men with ticklish bodies who are kidnapped, tied up, worshipped, and tormented to the point where they can't take it anymore in more ways than one. For those who think that ticklish young men must be tickled no matter who they are or what they're doing, then consider *MY WHAT TICKLISH FEET YOU HAVE* your ticket into a whole new world of devious delights. *My Wife, My Life* Amy Barendt, 2013-06-05 Two women get married to each other but before the wedding, someone gets hurt bad. They move into their first house and find that there's something evil in the woods that has to do with them being married. Not that long after they move in, one of the women gets bit and turns into a scary fictional thing. They try and protect each other so that they can have a family that's safe and try to make it as normal as they can. *Witch's Jewel* Kater Cheek, 2020-04-15 A sorcerous jewel. A mysterious uncle. Can a barista keep her magical heirloom safe from murderous crooks? Kit Melbourne longs to quit her brother's coffee shop to pursue her artistic dreams. And despite the temptation to sell the sought-after enchanted bindi she inherited from her uncle, she promises her family to protect it at all costs. But when her brother's tea leaf reading predicts her imminent death, she's terrified to discover those who want it will kill to make it theirs. Forced to dig into her late relative's murky past, Kit is doubly shocked when she learns the artifact's mighty power cannot be transferred unless its caretaker is dead. But despite her command of karate and fierce vampiric allies, her attackers show no sign of giving up their relentless lethal pursuit. Has Kit's vow not to sell sealed her doom? *Witch's Jewel* is the first book in the engrossing Kit Melbourne urban fantasy series. If you like strong female leads, high stakes action, and nail-biting plots, you'll love Kater Cheek's enthralling tale. Buy *Witch's Jewel* to dive into an epic world of Pagan magic today. *Theodora's Baby* Penny Culliford, 2009-08-30 I'm not sure I'm cut out for parenthood. It's not in my plan. All right, I haven't actually got a plan, but if I had one, this wouldn't be in it. I don't even like babies: nasty, small, noisy, smelly things that take over your life. But this is a different baby. This is not just a baby; this is our baby. Newlywed Theodora discovers a slight oversight she and Kevin made on their honeymoon. Now she's gained an important new subject for her famous diary, but at such a cost. Tom opened the oven door and got out the most enormous chocolate pudding and placed it on the table in front of me. Especially for you, dear sister, said Ariadne. I swallowed hard a few times, then took off for the bathroom. Ariadne looked at Tom and said, I told you so. What? Theodora sick, literally, of chocolate. How will she survive without her favorite food group? Answer with typical irrepressible

humour that finds much to laugh at about marital bliss faith friendships and the foibles of pregnancy But will she be reunited with her lost love Never fear Theodora and chocolate can't be separated forever *Cursed To Be My Mate* Kelly Starrz,2024-01-26 When Alpha King Rhys finally found his mate he expected fireworks a puzzle piece to click into place a Luna to help him rule the kingdom not this this savage rogue A rogue whose intention had been to assassinate him Hated upon first sight Amira cursed the Moon Goddess to find out her mate was the tyrannical Alpha King she'd been trained to kill With nothing left to do but reject the king and escape almost unscathed neither Rhys nor Amira expected what came next It was unheard of to reject the gift the Moon Goddess blessed them with Only a few were granted a mate and Alpha King Rhys and Amira did precisely that Rejected the gift Cursed by the Moon Goddess they wake up inside each other's bodies Switched to live in each other's worlds Rhys and Amira are forced to figure out how to return to their original forms Can they stop fighting bickering and scheming against each other or will this curse open their minds and hearts to each other's troubles
