Historical Dictionary of Socialism Peter Lamb, 2024-02-20 Socialism has been an influential force for social change for almost two centuries Its philosophy and ideology have inspired millions while simultaneously arousing fear and revulsion in its enemies Having emerged after the French Revolution in the effort to build upon and develop the egalitarian ideas of the Enlightenment socialism has taken many forms It has furthermore sometimes been manipulated and reformulated by opportunists who have built authoritarianism and totalitarian dictatorships in its name Opponents seize on such examples to frighten away people who may otherwise have found socialism attractive Socialism has survived such criticism and misrepresentation as its core principles have struck a chord with generations of people concerned with social justice *Historical Dictionary of Socialism* Fourth Edition contains a chronology an introduction a glossary and an extensive bibliography The dictionary section has over 500 cross referenced entries on activists politicians political thinkers political parties and organizations and key topics concepts and aspects of socialist theory This book is an excellent access point for students researchers and anyone wanting to know more about socialism

Participatory Budgeting in Europe Yves Sintomer, Anja Röcke, Carsten Herzberg, 2016-03-10 Can participatory budgeting help make public services really work for the public Incorporating a range of experiments in ten different countries this book provides the first comprehensive analysis of participatory budgeting in Europe and the effect it has had on democracy the modernization of local government social justice gender mainstreaming and sustainable development By focussing on the first decade of European participatory budgeting and analysing the results and the challenges affecting the agenda today it provides a critical appraisal of the participatory model Detailed comparisons of European cases expose similarities and differences between political cultures and offer a strong empirical basis to discuss the theories of deliberative and participatory democracy and reveal contradictory tendencies between political systems public administrations and democratic practices

Putting Federalism

in Its Place Scott L. Greer, Daniel Béland, André Lecours, Kenneth A Dubin, 2023-01-17 What does federalism do to welfare states This question arises in scholarly debates about policy design as well as in discussions about the right political institutions for a country It has frustrated many with federalism seeming to matter in all sorts of combinations with all sorts of issues from nationalism to racism to intergovernmental competition The diffuse federalism literature has not come to compelling answers for very basic questions Scott L Greer Daniel B land Andr Lecours and Kenneth A Dubin argue for a new approach one methodologically focused on configurations of variables within cases rather than a fruitless attempt to isolate the effect of federalism and one that is substantively engaged with identifying key elements in configurations as well as with when and how their interactions matter Born out of their work on a multi year eleven country project published as *Federalism and Social Policy Patterns of Redistribution in Eleven Countries* University of Michigan Press 2019 this book comprises a methodological and substantive agenda Methodologically the authors shift to studies that embraced and understood the complexity within which federal political institutions operate Substantively they make an argument for the importance of plurinationalism changing economic interests and institutional legacies *Frequency, Forms and Functions of Cleft Constructions in Romance and Germanic* Anna-Maria De Cesare, 2014-11-10 The volume describes the frequency the forms and the functions of different cleft construction types across two language families the Romance languages with discussion of Italian French and Spanish data and the Germanic languages with focus on English German Swiss German and Danish **Global Gay** Frederic Martel, 2019-05-14 A panoramic view of gay rights gay life and the gay experience around the world In *Global Gay* Fr d ric Martel visits more than fifty countries and documents a revolution underway around the world the globalization of LGBT rights From Saudi Arabia to South Africa from Amsterdam to Tel Aviv from Singapore to the United States activists culture warriors and ordinary people are part of a movement Martel interviews the proprietor of a gay friendly caf in Amman Jordan a Cuban American television journalist in Fort Lauderdale Florida a South African jurist who worked with Nelson Mandela to enshrine gay rights in the country s constitution an American lawyer who worked on the campaign for marriage equality an Egyptian man who fled his country after escaping a raid on a gay club and many others He tells us that in China homosexuality is neither prohibited nor permitted and that much Chinese gay life takes place on social media that in Iran because of the strict separation of the sexes it seems almost easier to be gay than heterosexual and that Raul Castro s daughter a gay rights icon in Cuba expressed her lingering anti American sentiments by calling for Pride celebrations in May rather than June Ten countries maintain the death penalty for homosexuals Homophobia is what Arab governments give to Islamists to keep them calm one activist tells Martel Martel finds that although the gay American way of life has created a global template for gay activism and culture each country offers distinctly local variations And around the world the status of gay rights has become a measure of a country s democracy and modernity This English edition which has been thoroughly revised and updated has received the French Voices Award for excellence in publication and translation

supported by a grant from the French American Book Fund *Whitaker's Shorts 2015: International* Bloomsbury Publishing,2014-11-20 Now in its 147th edition Whitaker s Almanack is the definitive reference guide containing a comprehensive overview of every aspect of UK infrastructure and an excellent introduction to world politics Available only as ebooks Whitaker s Shorts are selected themed sections from Whitaker s Almanack 2015 portable and perfect for those with specific interests within the print edition Whitaker s Shorts 2015 International contains extensive data including timelines and maps on every country of the world the European Union international organisations the North and South Poles plus information on overseas travel Displaying Competence in Organizations K. Pelsmaekers,C. Rollo,T. Van Hout,P. Heynderickx,Tom Van Hout,2011-05-26 Competence encompasses or overlaps with notions of efficiency success accountability excellence and self justification This collection explores ways in which individuals teams or groups in organizations discursively present themselves as competent to perform tasks or functions possibly at a superior level

USIA World ,1995 **The Structure of Spoken Language** Philippe Martin,2015-11-26 An innovative and unified grammar of sentence intonation applied to six Romance languages French Italian Spanish Portuguese Catalan and Romanian
