The Desire of Ages E. G. White, 2015-03-01 More than six billion of us live on this planet now growing rapidly toward seven billion We re separated by many differences sex race religion language customs and geography Nevertheless we also have some things in common We breathe the same air We all bleed the same red blood We all need food rest and shelter Oh yes we have one other thing familiar to each one of us we all want happiness Happiness an elusive sort of nebulous something that every one of us spends a lifetime pursuing Some of us try to find it in things We think that if only we could be rich we d be happy When we re rich we have money Money buys things and things make us happy Or do they Others of us try to find happiness in becoming well known maybe even famous If the masses adore us surely then we would be happy right Or maybe we look for happiness in being powerful and important in plunging headlong into pleasure seeking and entertainment or in trying to find someone else who can make us happy We want happiness We crave it all of us Through all ages of history we have desired it Nevertheless this inexpressible desire of all ages cannot be found in things in fame in power in pleasure seeking It can be found only in a Person and you can probably guess who that Person is This book is His story In Him is the end of your quest for happiness

Chongo Mundende, 2012-09-07 We live in interesting times In our times we know many facts but lack faith We know so much about medicine but enjoy little health We ask many questions but receive few answers Living in a broken world in times where wrong is considered right and right is considered wrong we question the reality of the existence of God Yet wherever we look we see battered scarred bruised maimed and broken people crying for Him God is always present He is never caught

off guard or taken by surprise The problems and heartaches we face are a result of sin The solution to sin is Jesus Christ the Creator Savior Sustainer and Answer to all our questionings By accepting Him beholding His love and mercy and studying His Word our lives are transformed into His likeness We become new creations Jesus left the splendor of heaven to come and die for us on a cruel cross at Calvary for the sins He did not commit He would have come and died for us if we were the only sinner in the whole universe In Times Like These is about Jesus and His love for lost humanity In times like these we need Him every nanosecond of the day and night He is coming back soon to take His children home A home where there is no pain cancer disease tears of sorrow or disappointment Will you go with Him to Paradise Now is the time to get ready **Rose**

Andrianarijaona,2025-01-29 Song of Songs or Shir Hashirim is a very special book of the Bible for many reasons For example it is the most metaphorical opening the door to many different interpretations that do not oppose each other It is also one of the books that does not contain any of God s names at least in the most used versions of the Bible It holds quite a few Guinness Bible Records in terms of word occurrences and word first appearance In light of this Song of Songs should be fascinating but most studies of it have followed a narrow and limited path The book has often been seen as primarily a story about a woman and a man deeply in love And it certainly contains that aspect in striking detail Some parents would not dare read it aloud in front of their children Sermons based on verses from Song of Songs are almost always linked to marital relationships or something similar But is that all this book is about Certainly not In fact the Son of God used a connotation found only in Song of Songs in the last prophecy he gave on his way to Calvary The study of Song of Songs alongside the book of Daniel and Revelation hints of prophetic aspects For example Song of Songs describes in detail the seven churches of Revelation It also alludes to the two statues of the book of Daniel And the four beasts Yes they have their allegories there as well God s laws Of course Even the sealing of God s people was not left out Country living There is no way to miss it The
