Behind Closed Doors in White South Africa D. Russell,1997-10-15 The intent in this book is to tear away the veil of secrecy that surrounds incestuous abuse in white South Africa by presenting five in depth personal accounts of this heinous form of sexual exploitation as told by the survivors Each of these accounts includes an analysis of important incest related issues raised by the survivor s story Another objective is to explore the connections between the often cruel sexual exploitation of girls by their white male relatives and the brutal exploitation of black people by white men in South Africa

Changing Lanes Joseph F.C. Dimento,Cliff Ellis,2014-08-29 The story of the evolution of the urban freeway the competing visions that informed it and the emerging alternatives for more sustainable urban transportation Urban freeways often cut through the heart of a city destroying neighborhoods displacing residents and reconfiguring street maps These massive infrastructure projects costing billions of dollars in transportation funds have been shaped for the last half century by the ideas of highway engineers urban planners landscape architects and architects with highway engineers playing the leading role In *Changing Lanes* Joseph DiMento and Cliff Ellis describe the evolution of the urban freeway in the United States from its rural parkway precursors through the construction of the interstate highway system to emerging alternatives for more sustainable urban transportation DiMento and Ellis describe controversies that arose over urban freeway construction focusing on three cases Syracuse which early on embraced freeways through its center Los Angeles which rejected some routes and then built I 105 the most expensive urban road of its time and Memphis which blocked the construction of I 40 through its core Finally they consider the emerging urban highway removal movement and other innovative efforts by cities to re envision urban transportation The Life of I Anne Manne,2015-08-03 Far from being the work of a madman Anders Breivik s murderous rampage in Norway was the action of an extreme narcissist As the dead lay around him he held up a finger asking for a Band Aid Written with the pace of a psychological thriller *The Life of I* is a compelling account of the rise of narcissism in individuals and society Manne examines the Lance Armstrong doping scandal and the alarming rise of sexual assaults in sport and the military as well as the vengeful killings of Elliot Rodger in California She looks at narcissism in the pursuit of fame and our obsession with making it She goes beyond the usual suspects of social media and celebrity culture to the deeper root of the issue how a new narcissistic character type is being fuelled by a cult of the self and the pursuit of wealth in a hypercompetitive consumer society *The Life of I* also offers insights from the latest work in psychology looking at

how narcissism develops But Manne also shows that there is an alternative how to transcend narcissism to be fully alive to the presence of others how to create a world where love and care are no longer turned inward *Twilight Years* Vali Gyenge, 2008-11-18 In the poignant novel *Twilight Years* four women friends are scattered around the world living adventurous lives as they enter their senior years and are forever bonded by the friendship they built during a previous vacation to Lake Como in Italy Fifty something Elsa Martos lives alone in Toronto but loves to travel with Lili her wealthy Australian friend Lili is married to Michael a corporate lawyer who is emotionally scarred from a bitter divorce but has somehow managed to embrace Lili's fierce independence and promiscuous past Margaret is nearly sixty loves her teaching position at the university and is happy in Budapest Widower and London resident Edith has a knack for complaining and an unfulfilled dream of becoming a well known artist Margaret invites Elsa to visit Budapest and Lili and Edith eventually follow As the four women meet up again and share their life stories tragedy strikes one of them and brings the friends closer than ever In this story of friendship that stretches across continents and seas Elsa Lili Edith and Margaret support each other through difficulties love and loneliness ultimately realizing that to attain serene happiness life must be lived fully no matter what your age Technical Information Indexes United States.
