*Elvis - from Crown to Graceland* Adrian Keller, 2015-03-10 Elvis Presley life is generally well known to most of his fans with one exception The time between high school and the time Elvis purchased Graceland is almost unknown except that he drove a truck for a small Memphis company called Crown Electric Until now How was his life as a truck driver What else did he do at Crown Electric besides driving a truck What were his habits Did he ever play his guitar at work Did he share his dreams with his fellow coworkers and what were those dreams More importantly what did he plan to do with his life And many other similar questions *Elvis From Crown to Graceland* captures this fascinating part of Elvis life in minute details and it reveals the extraordinary skills of a yet ordinary American boy through the eyes of his former employer Jim Tipler The book also reveals the entire story of the Crown Electric street sign that Elvis worked on himself and shows how long before he came on the world stage he had a very good understanding of advertising and marketing something that is usually attributed only to The Colonel With over 100 very rare photos and legal documents *Elvis From Crown to Graceland* is the ultimate biography of Elvis young life a life that was never to be the same as he stepped through Sun Studio's doors

Rodman, 2013-10-18 For a dead man Elvis Presley is awfully noisy His body may have failed him in 1977 but today his spirit his image and his myths do more than live on they flourish they thrive they multiply Why is Elvis Presley so ubiquitous a presence in US culture Why does he continue to enjoy a cultural prominence that would be the envy of the most heavily publicized living celebrities In Elvis after Elvis Gil Rodman traces the myriad manifestations of The King in popular and not so popular culture He asks why Elvis continues to defy our expectations of how dead stars are supposed to behave Elvis not only refuses to go away he keeps showing up in places where he seemingly doesn't belong Rodman draws upon an extensive and eclectic body of Elvis sightings from Elvis's appearances at the heart of the 1992 Presidential campaign to the debate over his worthiness as a subject for a postage stamp and from Elvis's central role in furious debates about racism and the appropriation of African American music to the world of Elvis impersonators and the importance of Graceland as a place of pilgrimage for Elvis fans and followers Rodman shows how Elvis has become inseparable from many of the defining myths of US culture enmeshed with the American dream and the very idea of the United States caught up in debates about race gender and sexuality and in the wars over what constitutes a national culture **Elvis by the Presleys** Priscilla Presley, Lisa Marie Presley, 2020-02-18 An intimate account of legendary entertainer Elvis Presley featuring stunning photography and exclusive stories from Priscilla Presley Lisa Marie Presley and more Behind the King of Rock and Roll was a husband father son cousin friend and spiritual seeker In Elvis by the Presleys those who knew him best come together to memorialize our greatest star featuring hours of exclusive family interviews Elvis quotes and private family photographs and images of personal memorabilia from the archives of Graceland Elvis Presley Enterprises Elvis by the Presleys reveals life at Graceland like never before Graceland is seen as a teeming family retreat where the kitchen was the center of operations where tag football games were played in the yard where folks drove golf carts up and down the hills and where Elvis spent many of his
