selection of Coward's plays from the thirties and forties which includes Blithe Spirit a comedy that centres around the spirit medium Madame Arcati The play that mocks sudden death was produced at precisely the moment when bombs were bringing it to Britain I shall ever be grateful for the almost psychic gift that enabled me to write Blithe Spirit in five days during one of the darkest years of the war The play was for years the longest running comedy in the history of British theatre Present Laughter follows the life of Garry Essendine a world weary middle aged projection of the dilettante debonair persona self obsessed and dressing gowned who struts through the play like an educated peacock It is a comedy about the theatricals that No l best knew and loved and was originally a star vehicle for himself It is the closest to an autobiographical play that Coward ever wrote This Happy Breed is a saga of a lower middle class family and three shorter pieces from Tonight at 8 30 is a farce set in the South of France and serves as an oblique tribute to Frederick Lonsdale The Astonished Heart is about the decay of a psychiatrist s mind through personal sexual obsession Red Peppers which closes the volume was a cynical tribute to the lost music halls of the First World War Rewriting the Nation Aleks Sierz, 2011-01-25 This is an essential guide for anyone interested in the best new British stage plays to emerge in the new millennium For students of theatre studies and theatre goers Rewriting the Nation British Theatre Today is a perfect companion to Britain's burgeoning theatre writing scene It explores the context from which new plays have emerged and charts the way that playwrights have responded to the key concerns of the decade and helped shape our sense of who we are In recent years British theatre has seen a renaissance in playwriting accompanied by a proliferation of writing awards and new writing groups The book provides an in depth exploration of the industry and of the key plays and playwrights It opens by defining what is meant by new writing and providing a study of the leading theatres such as the Royal Court the Traverse the Bush the Hampstead and the National theatres together with the London fringe and the work of touring companies In the second part Sierz provides a fascinating survey of the main issues that have characterised new plays in the first decade of the new century such as foreign policy and war overseas economic boom and bust divided communities and questions of identity and race It considers too how playwrights have re examined domestic issues of family of love of growing up and the fantasies and nightmares of the mind Against the backdrop of economic political and social change under New Labour Sierz shows how British theatre responded to these changes and in doing so has been and remains deeply involved in the project of rewriting the nation The Actor in You Robert Benedetti, 2022-10-28 Since the first edition of The Actor in You was published a guarter century ago thousands of students have benefited from Robert Benedetti s decades of experience educating some of the United States finest actors In this Seventh Edition Benedetti expresses the fundamental elements of acting in simple language leading readers through understanding their own bodies and voices acting technique and the basics of rehearsals and staging shows Each step includes exercises to aid students in self discovery and self development as they grow from novices into practiced actors (Un) Veiling Sexual Identities Davide Passa, 2024-08-30 This study situated within the field of Language and Sexuality
