Em And The Big Hoom:

Em and the Big Hoom Jerry Pinto, 2014-06-24 The devastatingly original debut novel from a winner of the Windham Campbell Prize for Fiction Profoundly moving I cannot remember when I last read something as touching as this Amitav Ghosh author of *The Glass Palace* First published by a small press in India Jerry Pinto's debut novel has already taken the literary world by storm Suffused with compassion humor and hard won wisdom *Em and the Big Hoom* is a modern masterpiece and its American publication is certain to be one of the major literary events of the season Meet Imelda and Augustine or as our young narrator calls his unusual parents Em and the Big Hoom Most of the time Em smokes endless beedis and sings her way through life She is the sun around which everyone else orbits But as enchanting and high spirited as she can be when Em's bipolar disorder seizes her she becomes monstrous sometimes with calamitous consequences for herself and others This accomplished debut is graceful and urgent with a one of a kind voice that will stay with readers long after the last page

Homeless K. Vaishali,2023-03-08 After discovering she s lesbian and dyslexic at 20 Vaishali begins to untangle her anxieties around reading and writing She comes out to her mother at 22 and leaves her Bombay home to make her own way In a dingy insect ridden yet rent free hostel room in Hyderabad with a door that doesn t quite close she tries to make the best of the situation by writing a book about her experiences As she writes she finds the past has a way of catching up with her even as she explores her dyslexia homosexuality and the clitoris falling in love and recovering from a harrowing breakup academic failure loneliness and homophobia living with sickness anxiety depression and her caste gender and body This is the story of Vaishali s relationship with her many truths and the truths of many young people in India

Disturbing Spirits Beverly A. Tsacoyianis,2021-06-15 This book investigates the psychological toll of conflict in the Middle East during the twentieth century including discussion of how spiritual and religious frameworks influence practice and theory The concept of mental health treatment in war torn Middle Eastern nations is painfully understudied In *Disturbing Spirits* Beverly A Tsacoyianis blends social cultural and medical history research methods with approaches in disability and trauma studies to demonstrate that the history of mental illness in Syria and Lebanon since the 1890s is embedded in disparate but not necessarily mutually exclusive ideas about legitimate healing Tsacoyianis examines the encounters between Western psychiatry and local practices and argues that the attempt to implement modern cosmopolitan biomedicine for the last 120 years has largely failed in part because of political instability and political traumas and in part because of narrow definitions of modern medicine that excluded spirituality and locally meaningful cultural practices Analyzing hospital records ethnographic data oral history research historical fiction and journalistic nonfiction Tsacoyianis claims that psychiatrists presented mental health treatment to Syrians and Lebanese not

only as a way to control or cure mental illness but also as a modernizing worldview to combat popular ideas about jinn based origins of mental illness and to encourage acceptance of psychiatry Treatment devoid of spiritual therapies ultimately delegitimized psychiatry among lower classes Tsacoyianis maintains that tensions between psychiatrists and vernacular healers developed as political transformations devastated collective and individual psyches and disrupted social order Scholars working on healing in the modern Middle East have largely studied either psychiatric or non biomedical healing but rarely their connections to each other or to politics In this groundbreaking work Tsacoyianis connects the discussion of global responsibility to scholarly debates about human suffering and the moral call to caregiving Disturbing Spirits will interest students and scholars of the history of medicine and public health Middle Eastern studies and postcolonial literature

Shelf Aware V.R. Feroze,2023-11-10 BIBLIOPHILIA A perfectly acceptable addiction marked by obsessive reading aggressive book sniffing and strategic hoarding For as long as Feroze a San Francisco based techie and gently mad bibliophile has understood books he has devoured them with the unmitigated enthusiasm of a toddler on a sugar rush For him reading has been more than a weekend pursuit or a hobby on steroids It has been a lifestyle generously peppered with serendipitous first edition finds and deliberate in store title hunting of which he kept meticulous notes In this intimate and refreshingly honest essay collection illustrated by artists on the autism spectrum Feroze professes his undying love for books and elaborates on his relationship with the life affirming act of reading Enthusiastically noting titles that carry scribbles in the neglected margins to gushing over one of a kind collectibles he delves into his varied picks bringing his most formative bookish adventures to readers Part memoir and part fascinating study of the quiet fulfilling act of reading and collecting books this joyous meld of anecdotes and recollections explores the sweeping genius of books and storytelling and how they continually refine our collective conscience Real stories of dealing with Depression Amrita Tripathi,Arpita

Anand,2019-06-25 Depression in urban India is something we are learning to talk about But are we really having the conversations we need to How will we defeat the stigma associated with mental illness in India without being completely open about some of our darkest times And when we will learn that we are truly Not Alone in our struggle Many have walked this path and many have learned how to heal though there is no one size fits all solution Ten brave first person contributors share portions of their journey towards healing stories that will resonate move you and fill you with hope Hear from mental health experts as well to find the answers to several questions How do you know if you re depressed Who should you seek out for help And what should you say to people who claim that you should just shake off the blues The Cambridge Companion to the City in World Literature Ato Quayson,Jini Kim Watson,2023-07-27 This book addresses the way cities have given rise to key aesthetic dispositions that are central to debates in World Literature **The Metaphysical City** Rob

Sullivan,2019-01-15 The Metaphysical City examines the metaphorical existence of the city as an entity to further understand its significance on urban planning and geography It encourages an open minded approach when studying cities so as to

uncover broader connecting themes that may otherwise be missed Case studies of New York Paris Cairo Mumbai Tokyo and Los Angeles explore a metaphor specific to each city This multidisciplinary analysis uses philosophical treatises geographical analysis and comparative literature to uncover how each city corresponds to the metaphor As such it allows the reader to understand the city from six differing points of view This book would be beneficial to students and academics of urban planning geography and comparative literature in particular those with an interest in a metaphysical examination of cities
