Resilience Interventions for Youth in Diverse Populations

Sandra Prince-Embury, Donald H. Saklofske, 2014-05-09 Our uncertain times are hard enough for adults to navigate For all too many young people even many who appear to possess good coping skills the challenges may seem overwhelming More and more resilience stands as an integral component in prevention programs geared to children and adolescents whether at risk or not Resilience Interventions for Youth in Diverse Populations details successful programs used with children and teens in a wide range of circumstances and conditions both clinical and non clinical New strength based models clarify the core aspects of resilience and translate them into positive social health educational and emotional outcomes Program descriptions and case examples cover diverse groups from homeless preschoolers to transgender youth to children with autism spectrum disorders while interventions are carried out in settings as varied as the classroom and the clinic the parent group and the playground This unique collection of studies moves the field toward more consistent and developmentally appropriate application of the science of resilience building Among the empirically supported programs featured Promoting resilience in the foster care system Developing social competence through a resilience model Building resilience in young children the Sesame Street way School based intervention for resilience in ADHD Girls Leading Outward promoting resilience in at risk middle school girls Resiliency in youth who have been exposed to violence Resilience Interventions for Youth in Diverse Populations is an essential resource for researchers professionals practitioners and graduate students in clinical child and school psychology social work educational psychology child and adolescent psychiatry developmental psychology and pediatrics

Emotionally Resilient Tweens and Teens Kim John Payne, Luis Fernando Llosa, 2022-08-09 Essential reading for parents of grade schoolers through teens experiencing bullying social exclusion and teasing with uplifting stories from young adults who have navigated those experiences and triumphed The tween and teen years are rife with intense social challenges in school friendships sports and other activities where instances of teasing bullying social exclusion and marginalization are unfortunately all too common Social media has only made this behavior easier and more insidious But when kids ages 9 and up can be coached by a parent to respond effectively manage their emotions in social situations and recognize their own self worth they can reclaim a sense of their own power and develop skills like resilience social and emotional intelligence and compassion for life Kim John Payne a leading education consultant and parenting expert and Luis Fernando Llosa a writer and longtime sports coach offer guidance and practical advice to parents along with ten inspirational stories in the voice of young adults who have navigated bullying teasing and social exclusion and triumphed The Emotionally Resilient Child gives tweens and teens the tools to address the problem themselves and develop mastery over the situation rather than having parents step in and try to fix things This book also gives parents vital proactive

strategies to help build strong family relationships trust and connection so that kids can be better prepared for the inevitable social challenges life brings

Evidence-Based School Mental Health Services Gayle L. Macklem, 2010-12-31 The challenges of providing mental health services to school children are numerous and diverse ranging from staffing shortages to insufficient funding to family resistance to administrative indifference Yet with the U S Surgeon General estimating that approximately 20% of young people display signs of psychological problems the need for such services particularly for interventions that not only address mental health issues but also reinforce protective factors is considerable Evidence Based School Mental Health Services offers readers an innovative best practices approach to providing effective mental health services at school The author draws on the widely used and effective three tiered public health model to create a school based system that addresses the emotional and behavioral needs of students most at risk for experiencing or showing strong signs and symptoms of emotional problems or disabilities This prevention oriented program adapts cognitive behavioral and other clinical therapies for use in primary through high school settings In several concise easy to read chapters the author addresses such important topics as The rationale for building a three tier mental health system in schools The importance of making emotion regulation training available to all students Designing strategies for adding affect education and emotion regulation training at each tier Providing empirical support for implementing CBT in school settings Preparing young children to benefit from school based CBT Also included is an Appendix of specific group activities and exercises that can be put to use in the school setting Evidence Based School Mental Health Services is a must have resource for researchers scientist practitioners and graduate students in school psychology clinical child psychology pediatrics psychiatry social work school counseling education as well as for those who develop or influence public policy And it is essential reading for any professional who is responsible for and interested in children s well being and development

What a Son Needs from His Mom Cheri Fuller, 2013-03-15 Ever Feel Like Your Son Is From a Different Planet Don t worry Mom There s a good reason why your son perplexes you He s the OPPOSITE sex Boys really do think communicate and process the world differently than girls But no matter your son s age he needs you and he needs you in not so apparent ways Drawing from her own experiences as well as those from moms and sons from around the country Cheri Fuller shares what makes boys and young men tick and how to become a more welcome influence at every stage in their lives She answers all the top questions including How can I help my son and me deal with his emotions in a healthy way School is such a struggle How can I help him Our personalities are SO different How can we get on the same page My son hardly says a thing What can I do What are the best ways to instill good values How can I encourage a lasting faith in God With page after page of use it today advice and encouraging stories this book will help you steer your son toward becoming a caring confident young man Includes Reflection Questions for Personal or Group Use Great for understanding grandsons too Some mother son relationships seem to add credence to the adage that men are from Mars women are from Venus Even mothers who have a close bond with their sons may think they

harbor a complete stranger when their male offspring reach puberty Fuller is a speaker and author as well as mother of three two boys and a girl and grandmother of six She lists specific activities that all sons need from their mothers such as encouragement communication prayer and confidence building She adds questions at each chapter s end to ponder journal or discuss lending the book to both individual and group study Recommended for the parenting section of any church library Church Libraries
