

"The Ultimate Test"

**SHORT
STORY**
of the day

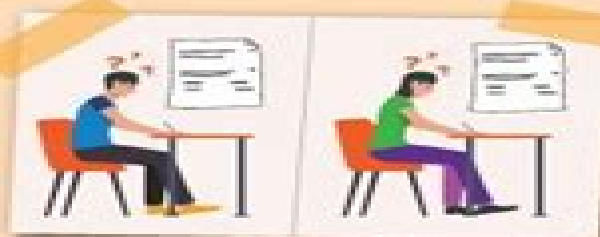

One night, four college students stayed up late partying, even though they knew they had a test the next day. The next morning, they came up with a plan to get out of having to take their test.

Each student rolled around in dirt and then went to the teacher's office.

They told the teacher that they had gotten a flat tire the night before, and they spent the entire night pushing their car back to campus.

The teacher listened, and to the students' delight, he offered a retest three days later.

On the day of the test, the students went to their teacher's office. The teacher put all four of the students in separate rooms to take the test. The students were okay with that because they had been given a chance to study.

The test had 2 questions:

- 1) Your Name _____ (1 Mark)
- 2) Which tire was flat? _____ (99 marks)

(a) Front Right	(b) Front Left
(c) Back Right	(d) Back Left

Moral of the story:

You always need to take responsibility for your actions aside from making wise decisions.
