## English Pronunciation Guide:

**English Pronouncing Dictionary** Daniel Jones, 2006-06-08 The Cambridge English Pronouncing Dictionary is the ultimate guide to pronunciation in English. Thousands of pronunciations not shown in general dictionaries are included from people and places to words from science, technology and literature. The 17th edition is edited by three of the most distinguished phonetics scholars working today. NEW! Up to date entries including general vocabulary and people and places in the news. NEW! Lively study pages help with common areas of difficulty. Clear, accessible layout with 80,000 entries and 220,000 British and North American pronunciations using the International Phonetic Alphabet. 200 information panels explaining phonetics terminology.

**English Pronunciation Secrets** Rebecca Bower, 2022 Are you looking for that one English pronunciation guide that has it all? Well, you found it! Plus, it's NOT your typical boring English pronunciation workbook. You're frustrated with not being understood. You're tired of shying away from conversations and presentations that keep you from making significant gains in your career and making connections in your social life. This guide is a culmination of all of the mysterious secrets that non-native English speakers search for on their journey to speaking with clear, fluent English pronunciation. These are secrets even native speakers are often not aware of. This book is your single guide to get you to where you want to be when speaking English: clear, confident, precise and articulate. This guide provides the highest quality in-depth instruction with the easiest to follow practice activities ever. We're talking step-by-step hand-holding here because a little extra help never hurt anyone. Hierarchical structure focusing on listening and feeling your mouth positions first so you will be confident you can correct yourself when speaking. Exhaustive practice exercises that move from the simplest level sound level then progress slowly up the ladder to syllables, words, phrases, sentences, reading and finally conversation practice so you don't get stuck. Easy to understand instruction without all the confusing jargon. Make this the day you finally unveil the secrets to clear, articulate English pronunciation.

*Clear English Pronunciation* Dick Smakman, 2019-12-06 Clear English Pronunciation provides students with the tools to effectively communicate in English without centring solely on native speaker pronunciation models. The focus of the book is on individual pronunciation targets rather than a one-size-fits-all approach. Divided into four sections, each featuring detailed articulatory explanations, sample sentences and recordings to help learners improve their pronunciation, this book introduces the phenomenon of pronunciation as part of a broader communicative realm, explains and demonstrates the melody and rhythm of understandable and natural English pronunciation, supports students in identifying and practicing their own pronunciation issues. Supported by an interactive companion website which features recordings and expanded explanations of key topics, Clear English Pronunciation is an essential textbook for international learners of English who want to improve their pronunciation skills in diverse social settings.
