Intersections of Formal and Informal Science Lucy Avraamidou, Wolff-Michael Roth, 2016-03-10 Science learning that takes place between and at the intersections of formal and informal science environments has not been systematically reviewed to offer a comprehensive understanding of the existing knowledge base Bringing together theory and research this volume describes the various ways in which learning science in various settings has been conceptualized as well as empirical evidence to illustrate how science learning in these settings can be supported **Be the Architect of Your Inclusive Classroom** Celia Oyler, Erika Hughes Hooper, Britt Hamre, Based on the authors collaborative work with K 12 public school teachers this practical book offers an invitation to create dynamic learning opportunities in classrooms designed to challenge and support to ALL learners Because teaching contexts are always unique and shifting we cannot rely primarily upon scripts recipes best practices and prescribed curriculum Rather based on teachers analysis of their own contexts the authors describe and show how today s educators can curate strategies curriculum and methods to design a sustainable classroom architecture that maximizes student engagement learning and belonging Attending to principles of culturally sustaining pedagogy Universal Design of Learning and backwards design the text focuses on curriculum design classroom behavior and building relationships with students colleagues families and communities Readers will come to understand why this kind of teaching is both complex and inherently rewarding Book Features Provides actionable tools to create classroom curriculum and practice that will improve learning and equity outcomes for all students Stimulates collaborative dialogue through Fearless Inventories that invite teachers to examine their own practices that promote belonging and student success Uses a lens of critical inclusivity offering a bottom up and collegial approach to designing instruction Focuses on learning rather than compliance and belonging rather than ranking and sorting learners Includes numerous examples of teachers creating inclusive classrooms as central teaching points Streetfight Janette Sadik-Khan, Seth Solomonow, 2017-03-07 Like a modern day Jane Jacobs Janette Sadik Khan transformed New York City s streets to make room for pedestrians cyclists buses and green spaces Describing the battles she fought to enact change Streetfight imparts wisdom and practical advice that other cities can follow to make their own streets safer and more vibrant As New York City s transportation commissioner Janette Sadik Khan managed the seemingly impossible and transformed the streets of one of the world s greatest toughest cities into dynamic spaces safe for pedestrians and cyclists Her approach was dramatic and effective Simply painting a part of the street to make it into a plaza or bus lane not only made the street safer but it also lessened congestion and increased foot traffic which improved the bottom line of businesses Real life experience confirmed that if you know how to read the street you can make it function better by not totally reconstructing it but by reallocating the space that s already there Breaking the street into its component parts Streetfight demonstrates with step by step visuals how to rewrite the underlying source code of a street with pointers on how to add protected bike paths improve crosswalk space and provide visual cues to

reduce speeding Achieving such a radical overhaul wasn't easy and Streetfight pulls back the curtain on the battles Sadik Khan won to make her approach work She includes examples of how this new way to read the streets has already made its way around the world from pocket parks in Mexico City and Los Angeles to more pedestrian friendly streets in Auckland and Buenos Aires and innovative bike lane designs and plazas in Austin Indianapolis and San Francisco Many are inspired by the changes taking place in New York City and are based on the same techniques Streetfight deconstructs reassembles and reinvents the street inviting readers to see it in ways they never imagined Becoming a Better Teacher Giselle O.
