Essentials Of Organisational Behaviour:

Essentials of Organizational Behavior Stephen P. Robbins,1997-01 This introduction to the field of organizational behaviour condenses the essential topics into a tightly focused presentation Its concise format makes it a viable alternative to a core textbook and an ideal vehicle to be combined with cases readings and experimental materials The entire text has been updated New examples have been added and the referencing of research findings has been expanded There are two new chapters in this edition Motivation From Concepts to Applications provides practical applications of motivation concepts introduced in Chapter 4 A new chapter on work teams has also been added The two chapters on organizational structure and design from the previous edition have been condensed into a single chapter and completely rewritten The chapter on individual decision making has been rewritten to emphasise the behavioural aspects of decision making The discussion of group decision making has been moved from the chapter on communication to the chapter on group behaviour *OB: The Essentials* Stephen P. Robbins,Timothy A. Judge,Bruce Millett,2015-05-20 Robbins Leading the way in OB Written as an alternative to Robbins larger Organisational Behaviour text OB The Essentials is an applied and focused text that will help your students to quickly grasp the essential elements of OB In an engaging 13 chapter format this book retains the fluid writing style academic rigour and extensive use of examples that are trademark features of the Robbins texts While there are less chapters the book continues to provide cutting edge content that is often missing in other OB books this is not merely a subset of material from Robbin s Organisational Behaviour text it was written from the ground up to present all the essential content in a shorter format This new text will have broad appeal particularly to visual learners who will appreciate the lively design and extensive use of examples and photographs to aid comprehension and retention of concepts New co author Dr Michael Jones of the University of Wollongong brings his avid enthusiasm for student education as well as a solid research background in motivation commitment and business operations to the new text Reviewers and users of the Robbins texts regularly report that they are conversational interesting student friendly and very clear and understandable Packed full of pedagogical features that will engage and stimulate your students OB The Essentials will ensure that they are getting a sound understanding of OB Features such as the Applying Knowledge and Student Challenge boxes prompt students to apply and think strategically about what they have just learnt **Study Guide [to Accompany] Essentials of Organizational Behavior, Sixth Edition [by] Stephen P. Robbins** James V. Dupree,2000 **Essentials of Organisational Behaviour** Laurie J. Mullins,2008 The underlying theme of Essentials of Management and Organisational Behaviour is the need for organisational effectiveness and the importance of the role of management as an integrating activity **Essentials of Organisational Behaviour in Africa** Betty Jane Punnett,Thomas Anyanje Senaji,2022-04-03 A concise textbook focusing on organisational behaviour in the African context this book is featured in Routledge s new Essentials of Business and Management in Africa shortform textbook series This book covers organisational behaviour concepts applicable to the

African continent and its varied cultures Chapters thoroughly explore topics including personal and individual factors motivation decision making and communication groups and teams leadership and influence conflict and negotiation Each chapter refers to aspects of the African context such as cultural values Ubuntu and the informal economy and relates these to the topics discussed The book includes illustrative real life examples vignettes mini cases and exercises Undergraduate and postgraduate students in Africa and with an interest in the area will appreciate the focus on a region so little discussed in the business and management literature Filling a gap in the literature and including a dearth of material this book will also appeal to current and future practicing managers in African countries as well as those employed in government and by Non Governmental Organisations NGOs
