Eternal Life: A New Vision John Shelby Spong, 2010-10-05 Bishop John Shelby Spong author of *Jesus for the Non Religious* *Why Christianity Must Change or Die* *Sins of Scripture* and many other books is known for his controversial ideas and fighting for minority rights In *Eternal Life A New Vision* a remarkable spiritual journey about his lifelong struggle with the questions of God and death he reveals how he came to a new conviction about eternal life God says spong is ultimately one and each of us is part of that oneness We do not live on after death as children who have been rewarded with heaven or punished with hell but as part of the life and being of God sharing in God's eternity which is beyond the barriers of time and space spong argues that the discovery of the eternal can be found within each of us if we go deeply into ourselves transcend our limits and become fully human By seeking God within by living each day to its fullest we will come to understand how we live eternally Always compelling and controversial Spong the leading Christian liberal and pioneer for human rights wrestles with the question that all of us will ultimately face In his final book Spong takes us beyond religion and even beyond Christianity until he arrives at the affirmation that the fully realized human life empties into and participates in the eternity of God The pathway into God turns out to be both a pathway into ourselves and a doorway into eternal life To Job's question If a man or a woman dies will he or she live again he gives his answer as a ringing yes *Eternal Life: A New Vision* John Shelby Spong, 2010-06-06 Drawing on a lifetime of wisdom New York Times bestselling author and controversial religious leader John Shelby Spong continues to challenge traditional Christian theology in *Eternal Life A New Vision* In this remarkable spiritual autobiography about his lifelong struggle with the questions of God and death he reveals how he ultimately came to believe in eternal life

Securing Life Robert P. Vande Kappelle, 2016-06-02 Securing Life represents a novel yet timely approach to reading and understanding the Bible While reverence for the Bible and respect for its authority remain high in our society biblical illiteracy misinterpretation and selective reading place us at risk The Bible seems to have a conserving effect on conservative readers a moderating effect on moderate readers and a liberating effect on liberal readers Do biblical texts contain conserving and liberating messages simultaneously Should biblical texts be limited to specific meaning and perspective acceptable by all or do they contain multiple levels of meaning While this book addresses these questions it does not approach the Bible as an answer book but rather as a collection of books multifaceted in nature its enduring purpose being to provide us with perspective for living faithfully and fully through the stages and seasons of our lives in harmony with God nature others and self Rather than starting chronologically with creation followed by accounts of the patriarchs the exodus the conquest and the monarchy this book follows a compositional approach used by the Yahwist an unknown author in Judea who composed Israel's first religious epic Like the Yahwist this book moves backward from Covenant through Community to Creation but because it includes the New Testament it moves forward to New Covenant through New Community to New Creation A chapter is devoted to each topic These motifs are preceded by five preparatory chapters three dealing with introductory matters one with biblical theology the doctrine of God and one with biblical

anthropology the doctrines of sin and salvation Utilizing the contributions of three disciplines biblical introduction biblical theology and biblical interpretation Dr Vande Kappelle demonstrates that the Bible like religion in general has both a conserving and liberating effect providing perspective for formation and for transformation United Empire ,1915 **The Fundamentals** ,1917 The Fundamentals Reuben Archer Torrey, Charles L. Feinberg, One of the greatest defenses of the faith that covers all the central teachings of Christianity including the deity of Christ the virgin birth the second coming and salvation by grace Walking on Water Robert P. Vande Kappelle, 2020-02-03 How did Jesus do it we wonder How did he walk on water To which we can imagine Jesus responding O ye of literal faith Walk with me on the waters of life explore with me the depths of reality Walking on water is not as one might think about staying on the surface of things but rather about going deep into the ordinary aspects of our lives and finding gold It is not about exotic miracles or blind faith but about living into a new way of thinking Most of us experience a continual flow of ideas images and feelings clinging to these as if they were us They are us but not our True Self They represent the atomized self our small imperial ego While this egocentric False Self is necessary its role is temporary a warm up rather than the adventure itself To ascertain our True Self we must lose the false images that no longer serve us images of God that are insufficient and images of ourselves that are similarly inadequate Bringing to life tales about labyrinths and quests for the Grail Walking on Water encourages us to go with Jesus into death and resurrection encountering the universal Christ there the True Self that gives all humans final meaning and definition Such living saves us from our smaller and untrue selves transforms our consciousness and transports us from limited first half of life living and thinking into second half of life possibilities The dynamic approach to spirituality described in this book a transformational journey nourished by myth metaphor and mystery will promote the wisdom compassion maturity and connectedness we all need and desire
