Ethics Approaching Moral Decisions:

Ethics Arthur F. Holmes, 2009-08-20 Arthur Holmes addresses the questions What is good What is right How can we know In this second edition he also surveys a variety of approaches to ethics including cultural relativism emotivism ethical egoism and utilitarianism all with an acknowledgment of the new postmodern environment

Ethics Arthur Frank Holmes, 1984 Arthur F Holmes outlines a Christian ethic contrasts it with other ethical systems and applies it to contemporary moral problems A Contours of Christian Philosophy book

[Ethics: Approaching Moral Decisions \(Large Print 16pt\)](#) Arthur F. Holmes, 2013-05 With over 60 000 copies in print since its original publication in 1984 Ethics has served numerous generations of students as a classic introduction to philosophical ethics from a Christian perspective Over the years the philosophical landscape has changed somewhat and in this new edition Arthur Holmes adjusts the argument and information throughout completely rewriting the earlier chapter on virtue ethics and adding a new chapter on the moral agent The book addresses the questions What is good What is right How can we know In doing so it also surveys a variety of approaches to ethics including cultural relativism emotivism ethical egoism and utilitarianism all with an acknowledgment of the new postmodern environment

[The Unformed Conscience of Evangelicalism](#) J. Daryl Charles, 2002-01-01 J Daryl Charles urges the evangelical church to better equip in character and moral vision its pastors leaders and members to constructively and effectively engage the ethical debates of the twenty first century

[Moral Passion and Christian Ethics](#) Robin Gill, 2017-03-06 In this book Robin Gill argues that moral passion and rational ethical deliberation are not enemies and that moral passion often lurks behind many apparently rational ethical commitments He also contends that though moral passion is a key component of truly selfless moral action without rational ethical deliberation it can also be extremely dangerous Gill maintains that a reanalysis of moral passion is overdue He inspects the gap between the purely rational accounts of ethics provided by some moral philosophers and the normative positions that they espouse and or the moral actions that they pursue He also contends that Christian ethicists have not been adept at identifying their own implicit moral passion or at explaining why it is that doctrinal positions generate passionately held moral conclusions Using a range of disciplines including cognitive science and moral psychology alongside the more usual disciplines of moral philosophy and religious ethics Gill also makes links with moral passion in other world faith traditions

The Moral Quest Stanley J. Grenz, 2016-09-27 Stanley J Grenz masterfully leads readers into a theological engagement with moral inquiry that is a first rate introduction to Christian ethics

Christian Morality Geoffrey W. Sutton, Brandon Schmidly, 2016-08-08 Should society care about Christian morality Are Christians out of touch with complex moral decision making Christian Morality An Interdisciplinary Framework for Thinking about Contemporary Moral Issues provides readers with a framework for identifying and applying Christian moral principles to divisive issues First readers learn of the theological and philosophical foundations of Christian ethics Two additional chapters explain how personal and social factors influence our capacity to

think critically and Christianly about morality Second readers will learn about forming Christian moral judgments by seeing how different thinkers address six contemporary moral issues abortion same sex relationships equal treatment of men and women in the workplace sex education and racial bias in incarceration polices *Pursuing Moral Faithfulness* Gary Tyra, 2015-04-15 In response to the moralism and relativism that characterize the present age Gary Tyra presents an evangelical ethic for everyday moral faithfulness arguing that Christians can have confidence in their Christ centered Spirit enabled ability to discern and do the will of God in any moral situation *Understanding Paul's Ethics* Brian S. Rosner, 1995 This introduction to the study of Paul s ethics collects fourteen essays by notable scholars which with commentary to the editor illumine the origin context social dimension shape logic foundations and relevance of Paul s ethics **Euthanasia, Suicide, and Despair: Can the Bible Help?** Michael J. Lowis, 2015-10-21 Despite its title this is not a morbid or depressing book but one that it is hoped will bring encouragement and comfort to all who are experiencing life s difficulties even to the point of wondering if they wish to continue living However the question of whether or not it is morally acceptable for people to receive help to end their lives prematurely is a divisive one but it is one that cannot be ignored Some countries have already legalized voluntary euthanasia whilst others are still wrestling with this ethical dilemma We all hope that we will never be faced with this situation but if it does arise where can we turn for help and guidance The Bible is one useful resource as over fifty passages have been identified that relate to coping with desperate life circumstances along with a few instances where a life has been ended prematurely In addition to identifying and discussing these passages this book also provides helpful background on the history of the biblical sources used along with factors influencing their interpretation Reading this book should provide strength and courage to persevere through life s adversities
