People's Profession Umar Shahid, 2021-01-21 You have probably heard of the term human resources more commonly known as HR. Have you ever wondered what it means and what it stands for? If you thought that it means doing paperwork and having an administrative function that is only a fraction of it stands for. The human resources profession and field is so much more. It affects your everyday professional and personal life whether you are an employee or a boss, the actions and tasks you perform will have many outcomes. This booklet is an introductory guidebook for everyone who wishes to understand the profession or those peculiar about its function or if you are considering pursuing the domain and want to clarify some stereotypical views. Human resources is all about dealing with people. It is a profoundly professional sociable occupation that must be well determined and taught to better operate or succeed in the working world. It is recommended to read this short book multiple times to grasp the concept and meaning of human resources with more clarity.
