*Video Marketing Strategy* Jon Mowat, 2018-03-03 Harness the power of video and create effective video marketing campaigns that will raise brand awareness increase sales drive website traffic and deliver ROI on marketing budgets with this invaluable guide to creating engaging content Written by the experienced and award winning video marketer Jon Mowat Video is the single most effective tool that marketers can use to cut through the noise and deliver measurable results Driven by consumer demand and with the backing of the largest social media platforms our world is becoming video first Video Marketing Strategy allows marketers to harness the power of video with an in depth look at the world s most powerful medium and how it can radically magnify a brand s voice by creating a level of emotional engagement that can t be achieved any other way Exploring both theory why are humans so affected by video on mobile devices and practice what s the key to making videos that deliver results this book looks at how multiple videos can form wider campaigns while exploring content hubs activation strategies and testing Filled with invaluable advice tips and strategies for incorporating video into a wider content marketing plan plus insights from prominent industry practitioners and case studies from around the world across sectors and industries this book offers readers the magic formula for using video campaigns successfully *Signal App* Dr. Timothy Zahar, 2021-01-17 How do you feel How do you feel when Twitter Facebook Snapchat turn off the US President Donald Trump s account permanently I understand that some of you are supportive some are not interested and the rest many people feel outraged and angry What are they doing with the President of the United States The man who truly kept his promise Make America great again We resent not only because that is how to behave in the style of imposing gagging It is because that act seriously violates the freedom we worship in the West And that is the reason why social networks exist But they broke their promise patted themselves on the face They have exceeded their own limits They engage in politics expressing their likes and dislikes not in a neutral position The behavior of social media platforms must comply with the laws and legal frameworks set by the legislators not the political views of the company executives Obviously when these tech giants shake hands together they will manipulate everything and we will be manipulated It was Facebook and Twitter that controlled navigated and manipulated the news surrounding the 2020 US presidential election All the above shares each of us see existence before our eyes But what s behind all of the above Why did those big techs do that The answer is Rights To Private Personal Information On Internet We are being watched every moment We have been violated personal privacy when participating in platforms Facebook Twitter They have collected the maximum of all the data about us Sometimes I still tell my friends Facebook knows you better than you do So is there a way for us to escape their influence and manipulation Yes We have 2 options Or not join any social networking platform This is difficult today because our work is tied to social connections Or we choose a social networking platform that is committed to respecting our privacy And don t just end up with commitments they need to give us the tools to proactively establish their own security And luckily for you and me there

are platforms now that meet these criteria That is Signal A security proven messaging app by tech giants like Elon Musk Or even the CEO of Twitter Jack Dorsey also publicly uses and encourages people to use Signal What do you learn more from reading this book 1 I will show you 7 powerful reasons why you should immediately quit WhatsApp Facebook Messenger and switch to Signal immediately And not only that you will also encourage your friends and colleagues to do the same I commit to this 2 I will show you how to install Signal and set up the perfect features to help you keep your personal information secure on the Internet So that we will not be under surveillance control and navigate I will write about personal security on the Internet in the simplest most popular way that a 7 year old can understand and share with everyone Now let us get started the journey of finding real freedom on social media platforms Dr Timothy Zahar      **The Messenger Revolution:**
