Faith Jennifer Haigh, 2012-01-17 It is the spring of 2002 and a perfect storm has hit Boston Across the city's archdiocese trusted priests have been accused of the worst possible betrayal of the souls in their care Estranged for years from her difficult and demanding family Sheila McGann has remained close to her older brother Art the popular dynamic pastor of a large suburban parish When Art finds himself at the center of the maelstrom Sheila returns to Boston ready to fight for him and his reputation But what she discovers is more complicated than she imagined as the scandal forces long buried secrets to surface Elegantly crafted and sharply observed Jennifer Haigh's *Faith* is a haunting meditation on loyalty and family that demonstrates how the truth can shatter our deepest beliefs and restore them *Matters of Faith* Kristy Kiernan, 2008-08-05

From the author of *Catching Genius* a novel of a young man's search for faith and its unintended consequences At age twelve Marshall Tobias saw his best friend killed by a train It was then that he began his search for faith delving into one tradition then discarding it for another His parents however have little time for spiritual contemplation Their focus has been on his little sister Megan who suffers from severe food allergies Now Marshall is home from college with his first real girlfriend but there is more to Ada than meets the eye including her beliefs about the evils of medical intervention What follows is a crisis that tests not only faith but the limits of family forgiveness and our need to believe *A Step of Faith* Richard Paul Evans, 2013-05-07 Following the New York Times bestseller *The Road to Grace* Richard Paul Evans's hero Alan Christoffersen faces a life changing crisis on his journey to grace After the death of his beloved wife after the loss of his advertising business to his once trusted partner after bankruptcy forced him from his home Alan Christoffersen is a broken man Leaving everything he knows he sets out on an extraordinary cross country journey with only the pack on his back he is walking from Seattle to Key West the end of the map Along the way Alan begins to heal meeting people who teach him lessons about love sacrifice and forgiveness But in St Louis Alan faces another life changing crisis and now the journey is in jeopardy

Finding Faith Denise Hunter, 2006-03-06 Set in the high pressure world of a Chicago TV newsroom award winning author Denise Hunter brings to life a heartwarming story of love and pain desperate choices with dire consequences and honesty and redemption If you like Karen Kingsbury or Nicholas Sparks this is an author you'll love as much as I do Colleen Coble author of *Alaska Twilight* One woman sacrificing everything for her career A young girl's longing for acceptance And the road to forgiveness Paula Landin Cohen an investigative reporter feels like a fish out of water in the small town of Jackson Hole Wyoming Then she's offered her dream job as a TV reporter in Chicago There is so much to gain and so much to lose including the only man she's ever loved Linn Caldwell has made a lot of mistakes bad mistakes She can never forgive herself for all the pain she's caused others How can she dare to get close to anyone again What will happen if Paula and Linn's secrets are revealed Will the men they love ever be able to forgive them *Finding Faith* is the third novel in the New Heights series after *Mending Places* and *Saving Grace* *Faith and Fiction* Barbara Pell, 2006-01-01 Is it possible to write an

artistically respectable and theoretically convincing religious novel in a non religious age Up to now there has been no substantial application of theological criticism to the works of Hugh MacLennan and Morley Callaghan the two most important Canadian novelists before 1960 Yet both were religious writers during the period when Canada entered the modern non religious era and both greatly influenced the development of our literature MacLennan s journey from Calvinism to Christian existentialism is documented in his essays and seven novels most fully in *The Watch that Ends the Night* Callaghan s fourteen novels are marked by tensions in his theology of Catholic humanism with his later novels defining his theological themes in increasingly secular terms This tension between narrative and metanarrative has produced both the artistic strengths and the moral ambiguities that characterize his work *Faith and Fiction: A Theological Critique of the Narrative Strategies of Hugh MacLennan and Morley Callaghan* is a significant contribution to the relatively new field studying the relation between religion and literature in Canada

Faith and Fiction Anita Gandolfo, 2007-08-30 In recent years there has been an explosion in the market for fiction on religious topics and themes most notably Dan Brown s *The Da Vinci Code* The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications it is emblematic of the contemporary American Zeitgeist Traditionally literature is both mirror and lamp reflecting the society that produces it and illuminating the values and interests of that society Recognizing both of those perspectives Gandolfo examines Christian literature s place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available The phenomenon surrounding Dan Brown s *The Da Vinci Code* has led to a cottage industry of interpretations attacks and commentaries but one thing is certain the book has had an enormous impact on American society culture and religious understanding not to mention the publishing industry which scrambles to find similar religious books to feed to an eager public But *The Da Vinci Code* is not the only book of its type on the market today In recent years there has been an explosion in the market for fiction on religious topics and themes with an entire series devoted to the impending Rapture as described in the *Left Behind* series Some fiction does not take an explicitly religious theme as these books do Instead writers like Andre Dubus and Ron Hansen imbue their creative work with spiritual and religious themes embedded in the everyday lives and concerns of their characters Regardless of the specific approach what is not in doubt is that American readers have made the authors of these works wealthy as bookstores cannot stock their shelves with enough copies Why the recent surge of interest in Christian fiction How does it reflect trends in our culture and our lives How has it changed our society and our understanding of spirituality and religion How accurate are these books in terms of the theology they espouse The variety of contemporary religious fiction and the publishing phenomenon surrounding it indicate that this literature transcends any overt religious meaning and is significant in its political and social implications it is emblematic of the contemporary American Zeitgeist Traditionally literature is both mirror and lamp reflecting the society that produces it

and illuminating the values and interests of that society Recognizing both of those perspectives Faith and Fiction examines Christian literature's place in American culture today and explores the cultural meaning and significance of the wildly popular Christian fiction now available *Rescuing Faith* Carol James, 2017-03-08 Once orphaned newly divorced a schoolteacher questions God's plan when she falls in love with a grieving widower in this inspirational romance Given up for adoption at birth schoolteacher Faith Holmes has spent her life trying to prove she is enough good enough smart enough pretty enough When she finds her husband with another woman yet again she has trouble forgiving him as she has in the past So he divorces her Rejected first by her parents now by her husband Faith begins to wonder if God has rejected her too In the midst of her marital trials Faith has to deal with surly Luke Johnson the father of one of her students Consumed with guilt Luke blames himself for his wife's recent death His daughter Emmie struggles with both her schoolwork and the loss of her mother and Faith is determined to help her despite Luke's resistance As time passes Luke sees Faith for the wonderful woman she is But as much as Faith wants to accept Luke's affection she wonders if she could ever be enough to heal his wounded heart *Rescuing Faith* is a story of how God's perfect love and truth helps two people overcome guilt and insecurity for the sake of a future together **The Faith Book** Tawdra Kandle, Olivia Hardin, 2019-11-26 Faith is the substance of things hoped for the evidence of things not seen Tawdra and Olivia live over a thousand miles apart in Florida and Texas respectively They found each other through the miracle of the internet and their love of writing and romance but their abiding friendship and devotion to one another was built on something far greater and stronger Their relationship was cemented by their shared journeys of FAITH Through the years they've enjoyed and celebrated each other's triumphs They've cried and comforted each other through the pain of death and loss They've shaken their fists together and commiserated over the hurt of betrayal They've survived periods of angst and silence and have been brought back together by a bond that can only be explained as God's blessing and grace In *The Faith Book* Tawdra and Olivia share the stories of their journey to understand God's movement in their lives In each chapter they explore the growth learning and revelations they continue to experience as they strive to turn their eyes upwards *The Faithful One* Michele Chynoweth, 2017-03-21 A wealthy and virtuous man faces the ultimate test of faith in this suspenseful and inspiring modern retelling of Job by the author of *The Runaway Prophet* Seth Jacobs has it all health wealth a great career a mansion in greater Boston a beautiful wife and three children But in a series of reversals beyond his control Seth loses his many fortunes one after the next His friends who suggest God has a reason for inflicting so much loss and pain upon him challenge Seth's faith At the lowest depths of his suffering Seth asks God as we all do Why is this happening to me And he receives an unexpected answer A modern day story based on the Bible's Book of Job *The Faithful One* inspires us all to keep our faith in the Lord no matter what Chynoweth constructs and then deconstructs Seth's life with an eye for detail and an inventive sense of how one tragedy can beget the next Kirkus Reviews **Faith and Fiction of Muriel Spark** Ruth Whittaker, 1984-06-18 **The Book of Faith** Elaine

Grish, In the ancient and wild world of Glenryth Fey creatures and a nascent humanity have come into conflict the motives of each other mutually unfathomable and alien Technological cults and Monotheistic religions are worshipped any suspicion of pagan or Fey magickal taint is reviled Prophets spread far and wide offering hope and comfort to the beleaguered masses Mankind is not totally separate from the energies that suffuse Glenryth

as an unfortunate few are born as Touched When local dwarves put a curse upon the town of High Peaks Remus the aloof and irritable woodcutter and sage must try and ebb the tide of xenophobic anger that could engulf himself and any other folk that are labelled as outcasts But when a caravan of technocrat pilgrims fails to arrive and the body of a local child is found in the woodlands Remus along with the capricious Touched Elaina must try to understand the nature of morality in a world cloaked in suspicion and fear and ultimately to prevent a brewing war that could send the region spiraling into chaos and destruction The Remus Rothwyn Chronicles is a dark epic fantasy series with mythological elements and a nuanced world with complex perspectives

A Grain of Faith Allan Hepburn, 2018-11-15 During and after the Second World War there was a concerted thinking about religion in Britain Not only were leading international thinkers of the day theologians Ronald Niebuhr Paul Tillich Jacques Maritain but leading writers contributed to discussions about religion Graham Greene Muriel Spark and Barbara Pym incorporated miracles evil and church going into their novels while Louis MacNeice T S Eliot and C S Lewis gave radio broadcasts about the role of Christianity in contemporary society Certainly the war revived interest in aspects of Christian life Salvation and redemption were on many people's minds The Ministry of Information used images of bombed churches to stoke patriotic fervour and King George VI led a series of Days of National Prayer that coincided with crucial events in the Allied campaign After the war and throughout the 1950s approximately 1.4 million Britons converted to Roman Catholicism as a way of expressing their spiritual ambitions and solidarity with humanity on a world wide scale Religion provided one way for writers to answer the question what is man It also afforded ways to think about social obligation and ethical engagement Moreover the mid century turn to religion offered ways to articulate statehood not from the perspective of nationhood and politics but from the perspective of moral action and social improvement Instead of being a retreat into seclusion and solitude the mid century turn to religion is a call to responsibility
