Book: Why We Get Stuck in Life and How You Can Move Forward Dr. John C. Panepinto, 2024-06-01 Getting stuck in life happens Whether you have a vision for your future or feel aimless everyone gets stuck sometimes And it can happen more

than once Living authentically presents problems and sometimes we create them without knowing If you don't know why you can't let go or move ahead you'll stay stuck You'll remain on the not so merry go round of stuckness waiting for answers To move forward you have to ask the right questions Not Another Self Help Book is truly not another self help book Written as a conversation you wish you had or didn't realize you needed to have you'll engage in topics everyone needs to explore and make sense of Talks we'd have if we would slow down the busyness of life Getting stuck and staying stuck has become a way of life for an increasing number of individuals and families The rising numbers of anxiety depression and hopelessness shine a light on this problem We treat the symptoms but fail to address the core issues How much longer can we carry on this way A common mindset lurks beneath these problems a pervasive and powerful belief system influencing every aspect of our lives Like fish in water we move and breathe in this mindset without knowing spaces exist above the surface If you follow the scripts of this mindset you end up chasing what you think is important only to find it isn't the thing once you get there The chase begins again Each chapter of Not Another Self Help Book guides you through this cultural mindset to the core of growth and development and a different way of being in the world The concepts and tools help you to ask the right questions Questions that open the doors and lead through confusion and uncertainty When you ask the right questions you will discover the answers you've been waiting for From the inside out you develop a mindset that works for you and not against you You create a vision of your future from the heart of what matters most to you and those who matter most Not Another Self Help Book provides the substance and direction to get unstuck and confidently move forward The foundation you build holds even if you get stuck again on your journey Whenever you need to you can rely on these life affirming ideas and get back on track And you may not ever need another self help book

The Answer: Thoughts are Things Marion Collin, 2015-08-26 Thoughts are Things Is Life part of an Eternal Plan Yes Is your Life already planned out No Your own Mind and Mindfulness attracts Life to you Give yourself time to reflect on events in your life up to today Have things gone pretty much as you expected them to be with both successes and low

points Now what if you came to realize that what you were or were not thinking influenced what you experienced Would that be a shock to you You are meant to Plan your life and your own reality The Plan for thousands of years for human kind has been to do exactly that Plan your own future through focused Thought and the Power of your Brain People today are on the cusp of learning that there is an Internal Power a Divinity within each of us to discover The Kingdom is Within You and All Around You To create a positive reality for yourself you must learn the capability of your own brain to focus your Conscious mind to connect with your Subconscious Power and the Universal Mind Harnessing this knowledge will attract to you the reality that you want to experience in this lifetime The Answer has been part of The Eternal Plan since the beginning of the universe We haven t been Seeking Knowledge in the right places Humanity s true potential is to create the lives we desire and the Pathway has been in front of us all along Thoughts are Powerful Things [www askbelievereceive ca](http://www.askbelievereceive.ca) *How to Create the Perfect Life* Frank Canace,2020-11-24 What is the perfect life For some it s financial security while others crave the ideal relationship or physical fitness However you define the perfect life there s a good chance that you haven t achieved it yet Why are some people able to achieve all their dreams while others linger in mediocrity Frank Canace examines this question and provides answers in the form of specific skills which will help you create your perfect life Rooted in the law of attraction and the power of positive thinking Frank s philosophy is broken down into forty chapters that are quickly and easily read and provide daily lessons that can be immediately implemented into anyone s life Ordaining Reality Joseph E.

Donlan,2021-06-06 Many people believe in the power of positive thinking i e how thoughts and attitude can shape their future yet despite a plethora of books on this subject no previous author has credibly explained how mere thoughts are able to tangibly influence future events To explain the connection Dr Donlan presents a new paradigm of nature coupled with a viable explanation of how our right cerebral hemisphere has evolved circuitry that can tap into the hidden domain of the metaphysical To support this premise he exposes the reader to the worlds of physics metaphysics brain architecture and evolution Donlan then introduces the many problems associated with the current model and contrasts it with a new view which remedies many of the issues facing theoretical physicists today Important to its central theme the book s proposed paradigm supports the remarkable notion that the future can only be created with thoughts In the final analysis the author brings his readers through the necessary steps to put this knowledge to work to help them pre ordain their own realities
