**Gateways to Art** Michelle Wells, 2023-02-03 Introduction At Pigmentti the current crisis is teaching us that a slower more thoughtful lifestyle is important We have always been proponents of craftsmanship and the preservation of centuries old methods as decorative artists It would appear that an increasing number of people are also recognizing the significance of this at the moment Craftsmanship and decorative arts are naturally slow and steady They use methods that take years to learn and perfect so the creation process cannot be rushed Because they recognize how important it is for the tools and materials they use to connect the past and present artisans and craftspeople also treat them with the utmost respect *Manual Training Magazine* Charles Alpheus Bennett, William Thomas Bawden, 1914

**Gateways to Art and Industry (Classic Reprint)** Olive Russell, 2015-07-06 Excerpt from Gateways to Art and Industry During the last decade the kindergarten has generally become the accepted first grade of public schools especially in large cities Its recognition demands the development of instinctive impulse emphasis on social co operation and kindness and work based on active expressional and appreciative rather than technical analytic and receptive values in education Where the work is well done these characteristics have given it a constantly increasing respect Where the work is neglected or in the hands of inefficient or unintelligent people it suffers from criticism a little more than does dishonest or unsatisfactory work in higher grades The reason for this is that it is a newer phase of education that its values must be apprehended by an intrinsic standard and that in some cases the young teachers lack the power to adjust themselves intelligently and definitely to the larger work of the school curriculum About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten
