### Study Questions

Each chapter of the novel is told by a different narrator. Discuss the effect that this narrative technique creates. To what purpose does it serve?

On the most obvious level, the multiple narrators allow for the story to be told in a communal rather than an individual way. Gaines has carefully selected these narrators across a broad spectrum. They are black, white, male, female, young, old, educated, not educated, liberal, and racist. Each of these narrators understands the murder of Beau Bouton in a different manner. When their different
