Grade 1 November 2013 Consumer Studies:

Food and Cooking Skills Education Anita Tull, 2018-01-29 Food and Cooking Skills Education FCSE is a complex mix of policy and practicality educational theory and pedagogy classroom and government policy This book shows how FCSE has been at the centre of a tussle between education and policy for decades It reviews how FCSE has grappled with various significant issues of concern that threaten to marginalise it and pose problems for educational practicalities as expectations are increased but resources are squeezed It assesses the debate about the significance and importance of acquiring practical food and cooking skills in a society where the purchase of ready made food has become commonplace and public knowledge of where our food comes from is noticeably lacking This has contributed to the escalating incidence of diet related diseases and the attendant cost to society and threatened environmental sustainability In turn governments have reacted by proposals to make practical cooking skills a statutory National Curriculum subject as part of the armoury for tackling such costs Based on detailed research conducted across England and Wales as well as comparisons with thirty five other countries or states the author makes recommendations for policy to manage this challenge facing contemporary society

Misinformation and Mass Audiences Brian G. Southwell, Emily A. Thorson, Laura Sheble, 2018-01-24 Lies and inaccurate information are as old as humanity but never before have they been so easy to spread Each moment of every day the Internet and broadcast media purvey misinformation either deliberately or accidentally to a mass audience on subjects ranging from politics to consumer goods to science and medicine among many others Because misinformation now has the potential to affect behavior on a massive scale it is urgently important to understand how it works and what can be done to mitigate its harmful effects Misinformation and Mass Audiences brings together evidence and ideas from communication research public health psychology political science environmental studies and information science to investigate what constitutes misinformation how it spreads and how best to counter it The expert contributors cover such topics as whether and to what extent audiences consciously notice misinformation the possibilities for audience deception the ethics of satire in journalism and public affairs programming the diffusion of rumors the role of Internet search behavior and the evolving efforts to counteract misinformation such as fact checking programs The first comprehensive social science volume exploring the prevalence and consequences of and remedies for misinformation as a mass communication phenomenon Misinformation and Mass Audiences will be a crucial resource for students and faculty researching misinformation policymakers grappling with questions of regulation and prevention and anyone concerned about this troubling yet perhaps unavoidable dimension of current media systems

Consumer Protection and Online Auction Platforms Christine Riefa, 2016-03-03 Online auctions have undergone many transformations and continue to attract millions of customers worldwide However these popular platforms remain understudied by legal scholars and misunderstood by legislators This book explores the legal classification of online auction sites across a range of countries in Europe Including empirical studies conducted on 28 online auction

websites in the UK the research focusses on the protection of consumers economic rights and highlights the shortcomings that the law struggles to control With examinations into important developments including the Consumer Rights Directive and the latest case law from the CJEU on the liability of intermediaries Riefa anticipates changes in the law and points out further changes that are needed to create a safe legal environment for consumers whilst preserving the varied business model adopted by online auction sites The study provides insights into how technical measures as well as a tighter legislative framework or enforcement pattern could provide consumers with better protection in turn reinforcing trust and ultimately benefiting the online auction platforms themselves

The Routledge Companion to Criticality in Art, Architecture, and Design Chris Brisbin, Myra Thiessen, 2018-10-03 The Routledge Companion to Criticality in Art Architecture and Design presents an in depth exploration of criticism and criticality in theory and practice across the disciplines of art architecture and design Professional criticism is a vital part of understanding the cultural significance of designed objects and environments that we engage with on a daily basis yet there is evidence to show that this practice is changing This edited volume investigates how practitioners researchers educators and professionals engage with think about and value the practice of critique With contributions from a multi disciplinary authorship from nine countries the UK USA Australia India Netherlands Switzerland South Africa Belgium and Denmark this companion provides a wide range of leading perspectives evaluating the landscape of criticality and how it is being shaped by technological and social advances Illustrated with over 60 black and white images and structured into five sections The Routledge Companion to Criticality in Art Architecture and Design is a comprehensive volume for researchers educators and students exploring the changing role of criticism through interdisciplinary perspectives

Consumers, Corporations, and Public Health John A. Quelch, 2016-01-06 Consumers Corporations and Public Health assembles 17 case studies at the intersection of business and public health to illustrate how each side can inform and benefit the other Through contemporary examples from a variety of industries and geographies this collection provides students with an appreciation for the importance of consumer empowerment and consumer behavior in shaping both health and corporate outcomes

Campus Diversity John M. Carey, Katherine Clayton, Yusaku Horiuchi, 2019-12-19 Campus diversity is a contentious topic but this book shows far more consensus than conflict in student attitudes toward diversity
