How Should Men Lead Their Families:

How Should Men Lead Their Families? Joel R. Beeke, 2014-12-11 God's Word teaches us that Jesus Christ was ordained by God and anointed by the Spirit for His work as prophet priest and king of His children. Those who are in union with Him share His offices in a limited but important way. In this booklet Joel Beeke explains how husbands and fathers should lead their families as prophets, priests, and kings. Filled with biblical wisdom and practical application, *How Should Men Lead Their Families* is a helpful guide for men who desire to bear the image of the Father of glory and of the heavenly Husband as they lead, teach, love, evangelize, protect, and rule over their wives and children. *Fatherhood Politics in the United States* Anna Gavanas, 2010-10-01 Are fathers being marginalized in the contemporary family? Responding to fears that they are the self-proclaimed fatherhood responsibility movement, FRM has worked since the mid 1990s to put fatherhood at the center of U.S. national politics. Anna Gavanas's *Fatherhood Politics in the United States* analyzes the processes, reveals the internal struggles, and traces the myths that drive this powerful movement. Unlike previous investigations that rely on literary or other secondary sources, *Fatherhood Politics* works from primary ethnographic material to represent a wider range of voices and actors. Interacting with and interviewing members of the most powerful and well-known national fatherhood organizations, Gavanas observed Promise Keeper rallies, men's workshops, and conferences on masculinity, fatherhood, and marriage. Providing a detailed overview of the different organizations involved and their various rhetorical strategies, Gavanas breaks down the FRM into two major wings. The pro-marriage wing sees marriage as the key to solving all social problems, while the fragile family organizations worry about unemployment, racism, and discrimination. Gavanas uses her extensive anthropological fieldwork as the basis for discussions of gender, sexuality, and race in her analysis of these competing voices. Taking us inside the internal struggles, tensions, and political machinations of the FRM, Gavanas offers a behind-the-scenes look at a movement having real impact on current social policy. *Fatherhood Politics* is an essential work for anyone interested in the politics of masculinity, parenthood, marriage, race, and sexuality. *Marriage Counseling Manual, Form #17.063* Brook Stockton, 2023-08-03 Marriage counseling manual for pastors. *A Practical Theology of Family Worship* Jonathan Williams, 2021-08-31 Baxter's belief in the importance of family worship meant every family in some Kidderminster streets upheld the practice. Williams examines Baxter's methods and shows how they can work in churches today. **A Public Faith** Michael Cromartie, 2003 The essays in this volume take another look at the role of evangelicals in American civic life. The prominent contributors examine evangelicals' beliefs and activity on topics ranging from bioethics to race relations and welfare reform to international human rights. Taken together, the essays show that contrary to what critics have proclaimed, the social commitment of evangelicals extends considerably beyond family-related issues and that their activity in the public sphere makes an essential contribution to the public good. Co-published with the Ethics and Public Policy Center. **Divine Hierarchy** Conrad Riker, 2011-01-01 Are you tired of the chaos in the modern world? Do you feel like society is crumbling?
