How To Be A Hepburn In A Hilton World:

How to Be a Hepburn in a Hilton World Jordan Christy, 2009-08-13 In a society driven by celebutante news and myspace profiles women of class style and charm are hard to come by The Audrey and Katharines of the world continue to lose their luster as thongs rehab and outrageous behavior burn up the daily headlines But despite appearances guys still want a girl they can take home to their mom employers still like to see a tailored suit and peers still respect classy conduct So is it possible to maintain old fashioned virtues in a modern world without looking like a starchy Amish grandma Christy shows women how in this guide to glamorous style professional success and true love the classy way Full of fun assignments notable names and real life examples Christy offers a new look at seemingly old fashioned advice She covers diet speech work ethic friends relationships manners makeup and fashionable yet modest clothing showing modern ladies how they can be beautiful intelligent and fun while retaining values and morals

On Audrey Hepburn Steven Cohan, 2024 Why should Audrey Hepburn still matter today This book revises the contemporary view of Hepburn that sees her primarily as a fashion icon and style guru It argues that her films more than her biography or her likeness are essential to understanding both her importance as one of the all time major stars to emerge in Hollywood after World War II and her lasting popularity On Audrey Hepburn examines her screen presence and persona while at the same time emphasizing her skill as an actress While cognizant of the many contradictions inhering in her films the book examines the liminality she represented in her comedies and musicals demonstrating how her characters desiring and intelligence supply the primary motors of the plots resist the films patriarchal template and complicate her asymmetrical casting opposite older male stars Moreover Hepburn s close relation with designer Hubert de Givenchy which established her identification with haute couture enabled her characters movement onscreen and was a basis for understanding transformation through fashion as an turning point event in the narrative which forged a pathway through spectacle for viewer identification with Hepburn s difference as symbolized by her unorthodox body which the clothes did not disguise but amplified On Audrey Hepburn finally examines her skilful performances in thrillers and dramas studying her expert timing and use of props her expressive face as it revealed interior emotions and thinking her interaction with other actors in an ensemble and the overall nuance with which she developed complex characterizations

How to Be a Hepburn in a Kardashian World Jordan Christy, 2017-04-04 Jordan Christy shares advice on how to be the most confident version of yourself in this fully revised and updated edition derived from How to Be a Hepburn in a Hilton World Though fashions may change certain things never go out of style like your favorite little black dress that can take you from a business meeting to a dinner party to a night on the town But what makes it work is not the dress it s how you present yourself while wearing it A woman who is polite well spoken gracious charming and thoughtful is always welcome though such women appear to be in short supply these days Despite the headline grabbing antics of certain flashy celebutantes most of us would rather have respect for ourselves and from our family friends and colleagues In
