

A close-up photograph of a car engine bay. A hand is holding a new, dark grey Continental belt in front of the engine. The new belt is still in its cardboard packaging, which features the Continental logo and the text "OE Technology Series" and "Mand V-mot". A red arrow points to a frayed and worn section of the old belt on the engine. A yellow arrow points to another section of the old belt that appears to be cracked or damaged. The background shows various engine components, including a black plastic cover with a blue and white circular logo.
