The Essential Ideas behind Effective Management of Human Resources Teck Choon John, 2024-01-15. Because of how quickly things are changing in the corporate world, such a strategy must be flexible enough to adapt to unexpected developments. The question of whether it works, produces the desired results, and contributes directly or indirectly to human flourishing, however measured, must inspire a situated response that is true to the possibilities and potentialities inherent. If higher education is to accomplish its stated aims, the socialization and individualization of its students through the inculcation of information, truth-making, comprehensive critical thinking, etc., this is a surefire way to get there. Management professionals who see people and talent management as an integral aspect of their job description, which should include almost every managerial duty, will find this book helpful in spotting problems with people management and developing solutions tailored to their situations.

Human

Resources Management in the Hospitality Industry David K. Hayes, Jack D.
