Supporting the Journey of English Learners after Trauma Brenda Custodio, Judith B. O'Loughlin, 2021-01-08 One of the hottest topics in education today is trauma informed pedagogy Much of what has been written in this area comes from counselors therapists and other experts in this field but there is very little written specifically about the effects of trauma on English learners This book has been written to address this need The authors have sifted through the literature on trauma and social emotional learning SEL to provide the material that applies directly to English learners This book was written mainly for teachers of students with immigrant backgrounds and for the building administrators who support them including counselors paraprofessionals and social workers This book is designed to provide a practical resource to help educators better understand the possible traumatic backgrounds of their students and how that could be affecting their academic social and emotional lives It also focuses on how school personnel can create a safe environment in schools and classrooms to help students recognize nurture and expand the internal resilience that has enabled them to weather past situations and that will allow them to continue the healing process One chapter is devoted to the topic of self care for educators who are working so hard to help students be resilient An appendix features a list of recommended books on the topics of personal migration and resilience

Hegemonies of Language and Their Discontents Carlos G. Vélez-Ibáñez, 2017-12-05 Spanish and English have fought a centuries long battle for linguistic dominance in the Southwest North American Region Covering the time period of 1540 to the present *Hegemonies of Language and Their Discontents* provides a deep and broad understanding of the contradictory methods of establishing language supremacy in this U S Mexico transborder region and the manner in which those affected have responded and acted often in dissatisfaction and at times with inventive adaptations Well regarded author Carlos G V lez Ib ez details the linguistic and cultural processes used by penetrating imperial and national states He argues that these impositions have been not linear but hydra headed complex and contradictory sometimes accommodated and sometimes forcefully imposed Such impositions have created discontent resulting in physical and linguistic revolts translanguage versions and multilayered capacities of use and misuse of imposed languages even the invention of community created trilingual dictionaries V lez Ib ez gives particular attention to both sides of the border explaining the consequences of the fragile splitting of the area through geopolitical border formation He illustrates the many ways those discontents have manifested in linguistic cultural educational political and legal forms From revolt to revitalization from silent objection to expressive defiance people in the Southwest North American Region have developed arcs of discontent from the Spanish colonial period to the present These narratives are supported by multiple sources including original Spanish colonial documents and new and original ethnographic studies of performance rituals like the matachines of New Mexico This unique work discusses the most recent neurobiological studies of bilingualism and their implications for cognitive development and language as it spans multiple disciplines Finally it provides the most important models for dual language development and their integration to the Funds of Knowledge concept as creative contemporary discontents with monolingual approaches

Linked Lives Michele Ruth Gamburd, 2020-11-13 When youth shake off their rural roots and middle aged people migrate for economic opportunities what happens to the grandparents left at home *Linked Lives* provides readers with intimate glimpses into homes in a Sri Lankan Buddhist village where elders wisely use their moral authority and their control over valuable property to assure that they receive both physical and spiritual care when they need it The care work that grandparents do for grandchildren allows labor migration and contributes to the overall well being of the extended family The book considers the efforts migrant workers make to build and buy houses and the ways those rooms and walls constrain social activities It outlines the strategies elders employ to age in place and the alternatives they face in local old folks homes Based on ethnographic work done over a decade Michele Gamburd shows how elders face the challenges of a rapidly globalizing world
