1. Read the passage and answer the questions A and B :

The term diaspora is used to refer to people who have left their homelands and settled in other parts of the world, either because they were forced to do so or because they wanted to leave on their own. The word is increasing used for such people as a collective group and/or a community. The world has seen many diaspora but scholars have been studying the phenomenon with great interest only in recent decades.

Among the great diaspora of history is that of the Jewish people, who were forced to leave their lands in ancient times. The movement of Aryans from Central Europe to the Indian sub- continent thousand of years ago is also a noteworthy diaspora, although the causes of this diaspora are unclear. In twentieth century history, the Palestinian diaspora has attracted a lot of attention and been a cause of concern for world leaders because of the plight of Palestinians. There have been massive diasporas in Africa, too, over the centuries, either because of war or because of the ravages of nature. 10

My name is Amerigo. I am 13 Years old and I live on the street, alone. My mother, who is separated from my father, doesn't want me. She told me to go away. Now she is married to another man. My father lives very far away. The streets are now my home. Sometimes I find work. I used to collect trash and sell it to a vendor. I stopped doing after I had a serious infection and a doctor told me to stay away from the trash dump. Once I worked for an ice cream shop owner and sold ice cream on the beach. But I got no money in return. The owner of the shop gave me something to eat, and let me sleep in his hut at night. However, many of us work for 10 to 12 hours, and get so little in return that we can't even buy food.

 'And I for truth- the two are one;
 We brethren are' he said.
