HSC Golden Guide to English Wafa Khan, 2017-02-05 HSC Golden Guide to English Advanced is a textbook designed to teach students how to craft Band 6 level responses in English. The textbook is modelled on the highly successful educational method of example based learning. Each piece of guidance provided in the textbook is supported by Band 6 examples using prescribed texts from the 2018 Year 12 Advanced English syllabus so that students may see and learn for themselves how to improve their writing. The strategic philosophy of the textbook allows students to independently master HSC English without having to rely on tutoring or copious amounts of memorisation. The 250 pages textbooks are divided into three sections: Practical Skills including guides to essay preparation, essay writing, adapting to exam questions, writing in different formats such as speech and supporting workbook exercises; Discovery including syllabus deconstruction and clarification, creative writing, responding to short answer questions, 2018 Discovery texts, adapting to Discovery exam questions and supporting workbook exercises; Modules A B C including syllabus deconstruction and clarification, 2018 Modules texts, adapting to Modules exam questions and supporting workbook exercises. **Blind Vision** James Pittar, 2019 When 10 year old James Pittar started having trouble seeing at night he could never have predicted that within a decade his vision would be all but gone. For a kid that dreamed of representing his country it was a hard blow. And for most people it would have spelled the end of that dream. But not for James. Just a few months shy of his thirtieth birthday James did what no blind person has ever done before he swam the English Channel. It signalled a shift in his mindset from that point onwards he would never think of himself as the underdog. He would learn that disability is only a barrier if you let it be. James is incredibly generous in sharing his experiences and emotions and it's hard not to be drawn in as he takes us on a personal journey through his childhood, the loss of vision in his teens, the decision not to let it define him and his continual dedication to growth and self improvement throughout his life. **Blind Vision** is a fascinating account of a unique and inspiring career in open water swimming. But more than that it is a story for anyone that's ever been told they can't. James Pittar is living proof that no matter what the odds with dedication, passion and the right people around you you can
