 Financial Opportunities Management of Ensuring Enterprise Investment Costs *Gower Handbook of Leadership and Management Development* Richard Thorpe, 2016-04-22
 On few occasions in the history of modern management have leadership skills been in such sharp focus as they are now
 The ability to direct often very large and diverse organizations to make sense of the complex and turbulent markets and environments in which you operate and to adapt and learn seems at an all time premium
 The premise behind the fifth edition of this influential Handbook is that leadership management and organizational development are all parts of the same process enhancing the capacity of organizations whatever their size and the people within them to achieve their purpose
 To this end the editors have brought together a who's who of current writers on leadership and development and created the definitive single volume guide to the subject
 The perspectives that the text provides to leadership learning and development embrace the formal and the informal cultures and case examples from organizations of all kinds and offers readers a rigorous readable and where appropriate ground breaking book
 In the 14 years since the fourth edition of this classic book very much has changed
 But the need for this Handbook is as strong as ever and the Fifth Edition of Gower Handbook of Leadership and Management Development is set to become a definitive read for senior managers and those who develop them and an essential reader for the management students aspiring to become the next generation of leaders
