World Religions for Healthcare Professionals Mark F Carr, Siroj Sorajjakool, Ernest Bursey, Siroj S Sorajjakool, Julius J Nam, 2017-02-10 Religious beliefs and customs can significantly shape patients and professionals attitudes toward and expectations of healthcare as well as their wishes and personal boundaries regarding such daily matters as dress diet prayer and touch Undoubtedly the sensitivity with which clinicians communicate with patients and make decisions regarding appropriate medical intervention can be greatly increased by an understanding of religious as well as other forms of cultural diversity This second edition of a popular and established text offers healthcare students and professionals a clear and concise overview of health beliefs and practices in world religions including Hinduism Buddhism Jainism Confucianism Taoism Sikhism Islam Judaism and Christianity Adopting a consistent structure each chapter considers the demographic profile of the community the religion s historical development and key beliefs and practices including views regarding health and sickness death and dying Each chapter also ends with a useful checklist of advice on what to do and what to avoid along with recommendations for further reading both online and in print form The book s clear and consistent style ensures that readers with little background knowledge can find the information they need and assimilate it easily A brand new chapter on applications and a set of new case studies illustrating issues in clinical practice enhance this wide ranging book s value to students and practitioners alike **The Politics of Spiritual Work in Christian Movements** Aini Linjakumpu, 2025-08-06

This book examines how three conservative Christian movements Jehovah s Witnesses Conservative Laestadians and the Old Order Amish attribute spiritual meanings to both paid employment and voluntary work and how work functions as a tool of governance within these communities A central concept developed in this book is spiritual work used to describe forms of labour imbued with religious meaning and purpose This book offers a detailed analysis of how religious interpretations of work regulate members lives and sustain internal power dynamics By tracing both the theological roots and social consequences of these interpretations the study demonstrates that work is not merely an economic necessity but a central component of the moral and spiritual order within these movements Framed by perspectives from the study of power and

governance this book identifies three key dimensions through which governance operates via work shaping individual spirituality reinforcing communal belonging and cohesion and regulating the boundary between the religious community and the outside world **Mountains: Physical, Human-Environmental, and Sociocultural Dynamics** Mark A.

Fonstad,2018-12-07 Mountains have captured the interests and passions of people for thousands of years Today millions of people live within mountain regions and mountain regions are often areas of accelerated environmental change This edited volume highlights new understanding of mountain environments and mountain peoples around the world The understanding of mountain environments and peoples has been a focus of individual researchers for centuries more recently the interest in mountain regions among researchers has been growing rapidly The articles contained within are from a wide spectrum of researchers from different parts of the world who address physical political theoretical social empirical environmental methodological and economic issues focused on the geography of mountains and their inhabitants The articles in this special issue are organized into three themed sections with very loose boundaries between themes 1 physical dynamics of mountain environments 2 coupled human physical dynamics and 3 sociocultural dynamics in mountain regions This book was first published as a special issue of the Annals of the American Association of Geographers Minority Religions and Religious Tolerance Zoe Knox,Emily B. Baran,2025-09-04 This book is founded on a simple premise that Jehovah s Witnesses are a

crucial litmus test for tolerance When Witnesses do not enjoy basic freedoms to practice their faith scholars should consider what their treatment reveals about the broader state of tolerance and respect for religious pluralism and religious minority groups They should also examine how the Witnesses struggle for acceptance has shaped religious freedom and the protections enshrined in law in many modern states in the twenty first century This is what the authors call the Jehovah s Witness test The contributors have run the JW test across a range of countries from Egypt and Mexico to Russia and South Korea addressing religious political and medical opposition and their outcomes for modern states and societies They bring to their conclusions a wealth of perspectives among them are medical experts sociologists political scientists historians anthropologists and representatives of the Witness community Taken together this volume is a call for scholars to look to the treatment of Jehovah s Witnesses as a barometer for the overall health of religious tolerance and basic civil liberties in our contemporary world *From Street-smart to Web-wise®* Al Marcella,Brian Moore,Madeline Parisi,2025-10-16 Our seventh

and eighth graders are now officially teens and online activities are second nature From Street smart to Web wise A Cyber Safety Training Manual Built for Teachers and Designed for Children isn t just another book Teachers will find this book to be a road map to navigate the digital landscape safely with confidence and care as their critical job of ensuring students safety in a digital world expands Dive into engaging content that illuminates the importance of cyber safety not only in our classrooms but extending into the global community Written by authors who are recognized experts in their respective fields this accessible manual is a timely resource for educators Each chapter is filled with practical examples and teacher tips
