Becky took me to her bedroom to show me her new school hat and tie. We then played with her dollhouse. She was a little shy but quickly began speaking freely as we played. She spoke about her new friends next door who had lent her several books she was enjoying. She states she is looking forward to telling her mom about her new friends next week. She did not elaborate further on this topic. Alice Had a sit-down with Alice after talking with Becky. She reports Alice has been settling in well and started playing with the neighbor's children after school. She states she "has no concerns" to raise. Education Becky is doing well at school. Alice showed me Becky's latest art project and a special note from her teacher commenting on how well Becky focuses during art and enjoys painting. Becky's home teacher has suggested she join additional painting classes for gifted students, and I discussed the required equipment list with Alice. Family Becky sees Jane (mom) every Thursday afternoon between 3.30 and 4.30pm at our office. Tom (Jane's partner) sometimes comes along to the visits with Jane. No issues were raised by Alice.
