alike to unknowingly enter into ungodly pacts and covenants. These ungodly practices lead to activities which include physical abuse, fornication, adultery, hatred, envy, strife, manipulation, social and intellectual elitism, abominable sexual activities, and witchcraft. These organizations attract people that are looking for something that only Christ Jesus can provide. However, the organizations appear as a light by their community service and networking abilities. This light, however, is a false light. Once one gets into the inner workings of the organizations, the sin and soul-inflicting antics are found deeply rooted in darkness. The authors, being former members that participated in ungodly activities within these organizations, expose the physical, mental, sexual, and spiritual death-dealing activities found in fraternities and sororities. This is by no means a kiss-and-tell composition, but it is a trying to save people from hell exposition. Actual accounts of sexual requirements, abuse, ancient ungodly spiritual practices, witchcraft, and required chants which denounce the existence of the One True God are given in detail in this book. Ungodly spirits of old have found new vessels to operate in through these fraternities and sororities. The good thing about this book is that it not only exposes spiritual wickedness and old ungodly practices but it shows people who want to be free how to find God, the Ancient of Days. Let the Truth be told. We encourage you to read this book if you are joining a fraternity or sorority, are a member of one, are a pastor, or have a loved one in one of these organizations. We desire for all to be free and blessed by this book.

The Playbill of Alpha Psi Omega, 1926 *Kappa Alpha Theta*, 1900 *African American Fraternities and Sororities* Tamara L. Brown, Gregory S. Parks, Clarendia M. Phillips, 2012-02-29

The rich history and social significance of the Divine Nine African American Greek letter organizations is explored in this comprehensive anthology. In the long tradition of African American benevolent and secret societies, intercollegiate African American fraternities and sororities have strong traditions of fostering brotherhood and sisterhood among their members, exerting considerable influence in the African American community and being in the forefront of civic action, community service, and philanthropy. Dr. Martin Luther King Jr., Toni Morrison, Arthur Ashe, and Sarah Vaughn are just a few of the trailblazing members of these organizations. *African American Fraternities and Sororities* places the history of these organizations in context, linking them to other movements and organizations that predated them and tying their history to the Civil Rights movement. It explores various cultural aspects of the organizations, such as auxiliary groups, branding, calls, and stepping, and highlights the unique role of African American sororities.
