JOHN L. DRURY**

Karl Barth And The Future Of Evangelical Theology

Christian T. Collins Winn, John L. Drury

Karl Barth And The Future Of Evangelical Theology:

Karl Barth and the Future of Evangelical Theology Christian T. Collins Winn, John L. Drury, 2014-11-17 The theology of Karl Barth has been a productive dialogue partner for evangelical theology For too long however the dialogue has been dominated by questions of orthodoxy The present volume seeks to contribute to the conversation through a creative reconfiguration of both partners in the conversation neither of whom can be rightly understood as preservers of Protestant Orthodoxy Rather American evangelicalism is identified with the revivalist forms of Protestantism that arose in the post Reformation era while Barth is revisited as a theologian attuned both to divine and human agency In the ensuing conversation questions of orthodoxy are not eliminated but subordinated to a concern for the life of God and God's people This volume brings together seasoned Barth scholars evangelical theologians and some younger voices united by a common desire to rethink both Karl Barth and evangelical theology By offering an alternative to the dominant constraints the book opens up new avenues for fruitful conversation on Barth and the future of evangelical theology

Karl Barth and the Future of Evangelical Theology Christian T Collins Winn, John L Drury, 2017-09-28 The theology of Karl Barth has often been a productive dialogue partner for evangelical theology but for too long the dialogue has been dominated by questions of orthodoxy Karl Barth and the Future of Evangelical Theology contributes to the conversation through a creative reconfiguration of both partners in the conversation neither of whom can be rightly understood as preservers of Protestant orthodoxy Rather American evangelicalism is identified with the revivalist forms of Protestantism that arose in the post Reformation era while Barth is revisited as a theologian attuned both to divine and human agency In the ensuing conversation questions of orthodoxy are not eliminated but subordinated to a concern for the life of God and God's people By offering an alternative to the dominant constraints this book opens up new avenues for fruitful conversation on Barth and the future of evangelical theology

Karl Barth and American Evangelicalism Bruce L. McCormack, Clifford B. Anderson, 2011-08-17 Papers presented at a conference held June 22-24 2007 in Princeton N J [For the Sake of the World](#) George Hunsinger, 2004-05-11 George Hunsinger is Hazel Thompson McCord Professor of Systematic Theology at Princeton Theological Seminary founder of the National Religious Campaign Against Torture and recipient of the 2010 Karl Barth Award from the Union of Evangelical Churches in Germany Among his other recent books are *The Eucharist and Ecumenism* *Let Us Keep the Feast* and *Torture Is a Moral Issue* Christians Jews Muslims and People of Conscience Speak Out

After Fundamentalism Bernard Lawrence Ramm, 1983 The Enlightenment of the eighteenth century brought into existence modern learning and modern attitudes at the same time it created the most serious challenge to Christianity since the early days of the Church Liberal Christianity was created to formulate a way of living with the aftermath of the Enlightenment but made the fateful mistake of surrendering the substance of Christianity as historically understood At the same time orthodoxy evangelicalism and fundamentalism have struggled to respond properly to the Enlightenment Now Bernard Ramm's

groundbreaking After Fundamentalism offers a way of doing theology using Karl Barth's methodology as a model that allows a Christian to both be a child of the Enlightenment and maintain the historic substance of Christianity After Fundamentalism reconciles the great gains of the Enlightenment with authentic Christianity to show how a Christian can without compromising his or her beliefs live fully as a modern person in the modern world **Jesus is Victor!** Donald G.

Bloesch,2001-08-20 Karl Barth's theology is both challenging and disconcerting to those who stand in the tradition of Protestant evangelicalism Yet his theological method presents a solid alternative to both rationalism and mysticism that dominate much current theology With striking clarity Dr Bloesch analyzes Barth's theology with special emphasis on his doctrine of salvation Barth holds that everything that is of any consequence in the religious dimension of human life has already been accomplished in Christ Johann Christoph Blumhardt characterized this theme by the phrase Jesus Is Victor In Christ Jesus the victory over the powers of darkness was forever secured and the whole world is now claimed for his kingdom In this theology there is no final rejection of humanity by God no irrevocable condemnation Analyzing this controversial stance Dr Bloesch raises questions and takes issue at many points not as a hostile critic but as a student debating with a master teacher The result is a significant evaluation of one of the theological giants of the twentieth century at the point of his major doctrine Karl Barth and Pentecostal Theology Frank D. Macchia,Terry L. Cross,Andrew K. Gabriel,2024-02-08

The essays in this volume evaluate and build on Barth's theology from the perspective of Pentecostal theology and thereby contribute to constructive Pentecostal systematic theology by using Barth as a valuable dialogue partner At present a theological conversation of Pentecostals with Barth does not exist and this volume fills this void More widely it will aid all those who seek a convergence of the Word and the Spirit in theology Barth and Pentecostals share some important common theological interests Barth's mature theology has a decidedly christological emphasis Likewise historically Pentecostals have often spoken of a full gospel with an emphasis on Christ as savior healer baptizer in the Spirit and soon and coming King with some Pentecostal traditions also adding a fifth emphasis on Christ the sanctifier Furthermore near the end of his life Barth anticipated the possibility of a theology of the third article a theology where the Holy Spirit would dominate and be decisive The realization of Barth's dream is no doubt coming to pass in part through the development of Pentecostal theology in as much as pneumatological theology exploring how pneumatology affects supplements and might reform other doctrines is an emerging paradigm for Pentecostal theology **Experience, Culture and Religion in Systematic Theology** Edmond

Zi-Kang Chua,2023-01-01 Most systematicians take as their starting point the nature of God and scripture as the means by which God's nature is revealed but what would a systematic theology look like that began with an experiential knowledge of God Here Edmond Chua offers a method for just such an approach Beginning with realms of human experience including psychology cultural diversity and religious plurality he builds the framework of a systematic theology that is inclusive and pluriform while retaining the core tenets of a Christian doctrine of God Notwithstanding his novel methodology Chua's

argument remains biblically rooted and appreciative of the Christian tradition In the latter half of the book he returns to the classical doctrines of the Trinity Christology evil sin and salvation allowing his inclusive view of the human religious experience to shed new light on the wisdom bequeathed by Paul Augustine Aquinas Luther Barth and others The result is a bold Christian vision that is culturally engaged and globally applicable of interest to systematic theologians while contributing to interreligious dialogue

The Oxford Handbook of Karl Barth Paul Dafydd Jones, Paul T. Nimmo, 2019-12-17

Karl Barth 1886 1968 is generally acknowledged to be the most important European Protestant theologian of the twentieth century a figure whose importance for Christian thought compares with that of Augustine Thomas Aquinas John Calvin Martin Luther and Friedrich Schleiermacher Author of the Epistle to the Romans the multi volume Church Dogmatics and a wide range of other works theological exegetical historical political pastoral and homiletic Barth has had significant and perduring influence on the contemporary study of theology and on the life of contemporary churches In the last few decades his work has been at the centre of some of the most important interpretative critical and constructive developments in the fields of Christian theology philosophy of religion and religious studies The Oxford Handbook of Karl Barth is the most expansive guide to Barth's work published to date Comprising over forty original chapters each of which is written by an expert in the field the Handbook provides rich analysis of Barth's life and context advances penetrating interpretations of the key elements of his thought and opens and charts new paths for critical and constructive reflection In the process it seeks to illuminate the complex and challenging world of Barth's theology to engage with it from multiple perspectives and to communicate something of the joyful nature of theology as Barth conceived it It will serve as an indispensable resource for undergraduates postgraduates academics and general readers for years to come

Yearbook of Chinese Theology 2019, 2019-08-05 The Yearbook of Chinese Theology is an international ecumenical and fully peer reviewed annual that covers Chinese Christianity in the areas of Biblical Studies Church History Systematic Theology Practical Theology and Comparative Religions It offers genuine Chinese theological research previously unavailable in English by top scholars in the study of Christianity in China The 2019 volume highlights the five disciplines of Karl Barth and Sino Christian theology and its guest editor is Thomas Xutong Qu Further contributions are from Paulos Huang and Thomas Xutong Qu Wai Luen Kwok Xin Leng Shi Min Lu Quan Li G Wright Doyle Jin Li and Li Ma Liang Hong Liang Hong Shao Kai Tseng Xiangchen Sun
