**Drag, Interperformance, and the Trouble with Queerness** Katie Horowitz, 2019-10-08 This story of drag kings and queens at Cleveland Ohio s most popular gay bar reveals that these genres have little in common and introduces interperformance a framework for identity formation and coalition building that provides strategies for repairing longstanding rifts in the LGBT community Drag Interperformance and the Trouble with Queerness is the first book centered on queer life in this growing midwestern hub and the first to focus simultaneously on kinging and queening It shows that despite the shared heading of drag these iconically queer institutions diverge in terms of audience movement vocabulary stage persona and treatment of gender class race and sexuality Horowitz argues that the radical in difference between kings and queens provides a window into the perennial rift between lesbians and gay men and challenges the assumption that all identities subsumed under the queer umbrella ought to have anything in common culturally politically or otherwise Drawing on performer interviews about the purpose of drag contestations over space and the eventual shuttering of the bar they called home Horowitz offers a new way of thinking about identity as a product of relations and argues that relationality is our best hope for building queer communities across lines of difference The book will be key reading for students and faculty in the interdisciplinary fields of feminist gender and sexuality studies performance studies American studies cultural studies ethnography and rhetoric It will be useful to graduate students and faculty interested in queer culture gender performance and transgender studies At the same time the clear and relatable writing style will make it accessible to undergraduates and

well suited to upper level courses in queer theory LGBTQ identities performance studies and qualitative research methods

Trumpener, Tim Barringer, 2020-11-17 A wide ranging study of the painted panorama's influence on art photography and film This ambitious volume presents a multifaceted account of the legacy of the circular painted panorama and its far reaching influence on art photography film and architecture From its 18th century origins the panorama quickly became a global mass cultural phenomenon often linked to an imperial worldview Yet it also transformed modes of viewing and exerted a lasting visible impact on filmmaking techniques museum displays and contemporary installation art *On the Viewing Platform* offers close readings of works ranging from proto panoramic Renaissance cityscapes and 19th century paintings and photographs to experimental films and a wide array of contemporary art Extensively researched and spectacularly illustrated this volume

proposes an expansive new framework for understanding the histories of art film and spectatorship      The Immanent Word Katie Terezakis,2007-03-01 The Immanent Word establishes that the philosophical study of language inaugurated in the 1759 works of Hamann and Lessing marks a paradigm shift in modern philosophy it analyzes the transformation of that shift in works of Herder Kant Fichte Novalis and Schlegel It contends that recent studies of early linguistic philosophy obscure the most relevant commission of its thinkers arguing against the theological appropriation of Hamann by John Milbank against the expressive appropriation of Hamann and Herder by Christina Lafont and Charles Taylor and against Philippe Lacoue Labarthe and Jean Luc Nancy s uncritical championing of Schlegel s ideological position      For the Souls of Black Folks Cari Jackson,2013-05-21 For the Souls of Black Folks examines the impact of black religious culture in shaping the ethical values and sociopolitical condition of U S blacks The book reviews the nexus of theological traditions and historical factors that have formed black churches as environments where preachers serve as the moral compass for black churchgoers For the Souls of Black Folks builds upon the work of sociologist W E B Du Bois who highlighted the presence of a double consciousness in the collective psyche of blacks stemming from racial oppression The book explores the ways in which that double consciousness often reflected in black preaching socializes black Christians to subjugate their own moral authority to that of black preachers The central argument is that this socialization to submit to preachers greatly underserves black churchgoers in developing and exercising their own power and authority as social agents and thus significantly impedes the full sociopolitical liberation of all blacks The book offers important new preaching strategies that more effectively facilitate the empowerment of blacks as critical agents of social transformation and healing in the twenty first century      **Imaginary Peaks** Katie Ives,2021-10-01 2022 Banff Mountain Book Competition Special Jury Mention A book every thoughtful adventurer and seeker of dreams should read Outside Using an infamous deception about a fake mountain range in British Columbia as her jumping off point Katie Ives the well known editor of Alpinist explores the lure of blank spaces on the map and the value of the imagination In Imaginary Peaks she details the cartographical mystery of the Riesenstein Hoax within the larger context of climbing history and the seemingly endless quest for newly discovered peaks and claims of first ascents Imaginary Peaks is an evocative thought provoking tale immersed in the literature of exploration study of maps and basic human desire      *All Earth Is Waiting* Katie Z. Dawson,2017-09-19 All Earth Is Waiting invites readers to explore the familiar Advent themes of hope preparation joy and peace with the heavens and earth in mind Through her powerful and personal reflections author Katie Z Dawson calls us to consider how all creation longs for the coming of Christ taking seriously the notion that the good news of Christ is good news for all the world Anticipating in Christ s birth the reconciliation of the heavens and the earth Dawson highlights the responsibility to care for this earth in preparation for Christ s return This collection of 28 Advent devotions is the perfect companion piece to the book and includes Scripture reflections and prayers for each day to help you prepare your heart during the season of Advent      **Female Imperialism and National Identity**

Katie Pickles, 2002 Through a study of the British Empire's largest women's patriotic organisation formed in 1900 and still in existence this book examines the relationship between female imperialism and national identity. It throws new light on women's involvement in imperialism on the history of conservative women's organisations on women's interventions in debates concerning citizenship and national identity and on the history of women in white settler societies. After placing the IODE Imperial Order Daughters of the Empire in the context of recent scholarly work in Canadian gender imperial history and post colonial theory the book follows the IODE's history through the twentieth century. Tracing the organisation into the postcolonial era where previous imperial ideas are outmoded it considers the transformation from patriotism to charity and the turn to colonisation at home in the Canadian North. *Harper's New Monthly Magazine*, 1883 Gospel Herald, 1914
