

The Canon Camera Manual

Since the advent of the EOS camera system in 1987, Canon has been at the forefront of camera and lens manufacture. They bring you, the photographer, an enviable range of products and accessories that make it one of the most popular systems in the world. For amateur and professional alike, the Canon EOS range gives you the ability to tell your story and express your creativity through the power of the image. Digital cameras have exploded in popularity in recent years and the level of innovation and technical advancement at the photographer's disposal is beyond compare.

The range of equipment available within the EOS system is vast, which can be overwhelming if you are new to Canon. The aim of this manual is simple: we want to help guide you so you can make the best informed choice about which camera, lens or accessory is right for you. Moreover, we want to show you a number of projects that were all undertaken with Canon equipment, so you can better understand how to get the absolute best out of your gear. Whether you are just looking to improve your holiday snaps, develop more skills as a landscape or portrait photographer or searching for some interesting wet weather projects, we have something for everyone. ■
