Book of Mermaids Cristina Bacchilega, Marie Alohani Brown, 2019-10-08 Includes *The Little Mermaid* now a major motion picture from Disney starring Halle Bailey and directed by Rob Marshall Dive into centuries of mermaid lore with these captivating tales from around the world A Penguin Classic Among the oldest and most popular mythical beings mermaids and other merfolk have captured the imagination since long before Ariel sold her voice to a sea witch in the beloved Disney film adaptation of Hans Christian Andersen's *The Little Mermaid* As far back as the eighth century B C sailors in Homer's *Odyssey* stuffed wax in their ears to resist the Sirens who lured men to their watery deaths with song More than two thousand years later the gullible New York public lined up to witness a mummified mermaid specimen that the enterprising

showman P T Barnum swore was real The Penguin Book of Mermaids is a treasury of such tales about merfolk and water spirits from different cultures ranging from Scottish selkies to Hindu water serpents to Chilean sea fairies A third of the selections are published here in English for the first time and all are accompanied by commentary that explores their undercurrents showing us how public perceptions of this popular mythical hybrid at once a human and a fish illuminate issues of gender spirituality ecology and sexuality For more than seventy five years Penguin has been the leading publisher of classic literature in the English speaking world With more than 2 000 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Stranded Lauren Smith,2024-10-11 Mermaids aren t real because if they are they killed his parents At least that s what Hudson Clark believes until an injured mermaid washes up on his yacht during a storm The moment he uncovers a half naked woman in a bed of seaweed and sees her eerie not quite human aquamarine eyes gazing up at him in pain he s drowning in her gaze Learning the truth that mermaids are real he knows he should hate this beautiful creature should fear her but all he wants to do is kiss her and a whole lot more Talia wasn t born a mermaid Two years ago she d been a human woman who d fallen from her boat during a party and hit her head But after agreeing to a bargain with the sea she s been cursed with fins The only light that pierces the dark depths of her watery world is the glimpses she steals on the surface of Hudson Tall dark and handsome he fits every forbidden fantasy she has because he s human and she isn t After she seeks refuge on his yacht to escape sharks during a storm she can t resist staying away from him can t resist kissing him What s a mermaid to do when a human lures her out of the water and onto land
