@ Worship Teresa Berger, 2017-07-14 A host of both very old and entirely new liturgical practices have arisen in digital mediation from the live streaming of worship services and pray as you go apps to digital prayer chapels virtual choirs and online pilgrimages Cyberspace now even hosts communities of faith that exist entirely online These digitally mediated liturgical practices raise challenging questions Are worshippers in an online chapel really a community at prayer Do avatars that receive digital bread and wine receive communion Worship proposes a nuanced response to these sometimes contentious issues rooted in familiarity with and sustained attention to actual online practices Four major thematic lines of inquiry form the structure of the book After an introductory chapter the following chapters look at digital presence virtual bodies and online participation ecclesial communities in cyberspace digital

materiality, visuality and soundscapes and finally the issues of sacramental mediation online. A concluding chapter brings together the insights from the previous chapters and maps a way forward for reflections on digitally mediated liturgical practices. *Worship* is the first monograph dedicated to exploring online liturgical practices that have emerged since the introduction of Web 2.0. Bringing together the scholarly tools and insights of liturgical studies, constructive theology and digital media theories, it is vital reading for scholars of Theology and Religion, as well as Sociology and Digital Culture more generally.

The Eucharistic Liturgy Jameson K. Pallikunnil, 2017-03-20. The Malankara Mar Thoma Syrian Church exists as a hybrid church by blending the Eastern liturgical elements of the Oriental Orthodox Church and the evangelical ideas of the Protestant Reformation of the sixteenth century. This Church is a bridging church connecting Protestantism and Oriental Orthodoxy. The reformation in the Malankara Church 1836 instigated a new impetus for this church in constructing an ecclesial identity and pattern of mission. A major missiological imperative employed by CMS missionaries in India was solely centered on the scripture. Against this popular understanding, the Mar Thoma Church, through its reformation process, showed that liturgy can also be an imperative for mission. The translation and revision of the Eucharistic liturgy is the basic visible expression of reformation in the Malankara Church. Hence, this book explicitly places how the Eucharistic liturgy of the Mar Thoma Church is observed as the foundation for mission in its course of growth. In order to accomplish this objective, the writer has examined the historical evolution and the developmental process of the Eucharistic liturgy of the church, which is a revised version of the liturgy of St James. In a nutshell, this study is an appraisal of various missiological themes reflected in the Eucharistic liturgy of the church. This study throws ample light on how the Mar Thoma Church integrated liturgy and evangelism in its course of development. The writer systematically illustrates how the church made a serious effort to bring missional themes employed in the liturgy into the practical realm by its ancillary organizations, convention gatherings and socio-charitable works. This volume asserts that an emphasis on Eucharist-centred ecclesiology guides and motivates the church to enliven a mission-oriented life, which is crucial for accomplishing a relevant mission.

We Give Our Thanks Unto Thee Porter C. Taylor, 2019-04-17. Fr Alexander Schmemmann continues to influence liturgical and sacramental theologies some thirty-five years after his death. Despite the wide acceptance within Protestant circles of his timeless classic *For the Life of the World*, there has been relatively little written about him from an ecumenical context. This volume of collected essays seeks to explore his theological legacy and further his work. With essays from leading scholars such as David Fagerberg, Bruce Morrill, Joyce Zimmerman and more, this volume is meant for both teachers and students of liturgical and sacramental theology. In an effort to introduce Schmemmann to a wider audience and to celebrate his work through meaningful engagement and dialogue, contributors come from a wide variety of ecclesiastical backgrounds: Anglican, Roman Catholic, Orthodox, Lutheran, Presbyterian, Methodist, Free Church and more. The Eucharist is therefore the manifestation of the Church as the new aeon, it is participation in the Kingdom as the parousia, as the presence of the Resurrected and Resurrecting Lord.

It is not the repetition of His advent or coming into the world but the lifting up of the Church into His parousia the Church's participation in His heavenly glory Fr Alexander Schmemmann Introduction to Liturgical Theology p 72 This Assembly of Believers Bryan Cones, 2020-11-30 Among the symbols with which the liturgy deals none is more important than this assembly of believers This claim made in the 1970s forces the local church to consider those within its congregation and recognise the gifts and challenges of difference within the church community In This Assembly of Believers Bryan Cones seeks to take seriously the pastoral context of a congregation recognising the physical ability gender and sexuality of those who make up the congregation Starting each chapter with their lived experience Cones poses important questions of the liturgy in light of these experiences before realigning the liturgy to demonstrate the positive theological significance of the marginalised within the congregation

Something Happens Here Stephen P. West, 2022-08-09 The United Methodist Church is at a crossroads and nothing is more important than reclaiming our sacramental distinctiveness in times of great divisiveness This book takes a fresh look at Wesley's core teachings on the Lord's Supper letting each unique feature of Wesley's communion theology become a lens to navigate troubled waters The author explores the historical background of each characteristic finds evidence in writings of John and Charles Wesley and applies them to the struggles of present day United Methodism He concludes with signs of life emerging in divisive and uncertain times as people come back to the table to move forward into the future

Liberation, (De)Coloniality, and Liturgical Practices Becca Whitla, 2020-10-24 Becca Whitla uses liberationist postcolonial and decolonial methods to analyze hymns congregational singing and song leading practices By way of this analysis Whitla shows how congregational singing can embody liberating liturgy and theology Through a series of interwoven theoretical lenses and methodological tools including coloniality mimicry epistemic disobedience hybridity border thinking and ethnomusicology the author examines and interrogates a range of factors in the musical sphere From beloved Victorian hymns to infectious Latin American coritos congregational singing to radical union choirs Christian complicity in coloniality to Indigenous ways of knowing the dynamic praxis based stance of the book is rooted in the author's lived experiences and commitments and engages with detailed examples from sacred music and both liturgical and practical theology Drawing on what she calls a syncopated liberating praxis the author affirms the intercultural promise of

communities of faith as a locus theologicus and a place for the in breaking of the Holy Spirit **Liturgical Mission** Winfield Bevens,2022-09-20 Modern missional movements have often viewed the historic Christian traditions as too insular focused on worship and the interior life of the church rather than evangelism and good works Winfield Bevens argues that liturgy and sacramental life are in fact deeply missional and offer a holistic framework for everyday discipleship and mission

R.I.C.H. in Preaching Antonio LaMar Torrence,2020-12-22 As many black churches attempt to become welcoming spaces for LGBTQ people preachers are navigating ways to develop sermons that are more inclusive and welcoming Pastors and ministers can begin transforming their congregations to become extensions of Christ through preaching sermons about radical inclusive Christian hospitality RICH RICH preaching encourages its hearers to embrace those of the queer community as neighbors deserving of love compassion and healing
