## **Mikhail Bakhtin Routledge Critical Thinkers:**

**Mikhail Bakhtin** Alastair Renfrew, 2014-11-13 Mikhail Bakhtin was one of the twentieth century's most influential literary theorists. This accessible introduction to his thought begins with the questions 'Why Bakhtin?' and 'Who was Bakhtin?' before dealing in detail with his ideas on authorship and subjecthood, language, dialogism, heteroglossia, and the novel, the chronotope, and the carnivalesque. True to their dialogic spirit, these ideas are presented not as a fixed body of knowledge but rather as living and evolving entities, as ways of approaching not only the most persistent questions of language and literature but also issues that are relevant across the full range of Humanities disciplines. Bakhtin emerges in the process as a key thinker for the Humanities in the twenty-first century. *Chuck Palahniuk and the Comic Grotesque* David McCracken, 2020-10-16 With the success of *Fight Club*, his novel turned movie, Chuck Palahniuk has become noticed for accurately capturing the exploitation of power in America in the 21st century. With cynicism and skepticism, he satirizes the manipulative aspects of ideologies and beliefs, pushing society's understanding of the norm. In this work, Palahniuk's characters are analyzed as people who rebel against the systems in control. Mikhail Bakhtin's theory is applied to explain Palahniuk's application of the comic grotesque theories from Louis Althusser and Slavoj Žižek, which help reveal aspects of ideology in Palahniuk's writing. **Consumption and Wealth in Luke's Travel Narrative** James A. Metzger, 2007 While several recent studies have suggested that the Gospel of Luke recommends generous almsgiving or a relatively benign sharing ethic that mimics existing redistributive measures in early Roman Palestine, this book argues that a much more subversive reading of the Gospel's wealth and possessions traditions is defensible. *Learning With Leonardo: Unfinished Perfection: Making children cleverer: what does Da Vinci tell us?* Ian Warwick, Ray Speakman, 2019-03-11 What are the seven key concepts that drove Da Vinci's inventive thinking, and how can we still use them to improve our own creativity 500 years after his death? In pursuit of the unified learning principles that sit at the heart of his work, Ian Warwick and Ray Speakman brilliantly explore the approaches that we need to take to make our own learning more original and thoughtful. *Social Justice Design and Implementation in Library and Information Science* Bharat Mehra, 2021-12-29 Social Justice Design and Implementation in Library and Information Science presents a range of case studies that have successfully implemented social justice as a designed strategy to generate community-wide changes and social impact. Each chapter in the collection presents innovative practices that are strategized as intentional, deliberate, systematic, outcome-based, and impact-driven. They demonstrate effective examples of social justice design and implementation in LIS to generate meaningful outcomes across local, regional, national, and international settings. Including reflections on challenges and opportunities in academic, public school, and special libraries, museums, archives, and other information-related settings, the contributions present forward-looking strategies that transcend historical and outdated notions of neutral stance and passive bystanders. Showcasing the intersections of LIS concepts and interdisciplinary theories with traditional and non-traditional methods of research and

practice the volume demonstrates how to further the social justice principles of fairness justice equity equality and empowerment of all people including those on the margins of society Social Justice Design and Implementation in Library and Information Science will be of great interest to LIS educators scholars students information professionals library practitioners and all those interested in integrating social justice and inclusion advocacy into their information related efforts to develop impact driven externally focused and community relevant outcomes Achille Mbembe Oliver Coates,2024-12-23
