*Dust to Dust to Dust* Lester D. Parker, 2009-07-28 When Henry Parker and Thomas Thompson arrived in Virginia Colony aboard the sailing ship Endeavor 1765 their altercation aboard ship was forgotten Each went his separate way never expecting to meet again Each for his own reason was anxious to depart the dock Thomas Thompson with his wife Elinor and son James headed for the dusty coal mines of West Virginia Thomas was jumping ship to avoid a return trip to England as promised to the captain Henry Parker was heading west to look for suitable farm land that could be claimed free if possible He was anxious to get settled so that he could send for his bride with whom he had only three days before being ordered to leave England forever by King George III Henry was to have a long three year wait before seeing his bride again The next meeting between the Parkers and Thompsons took place in a military hospital during the revolutionary war each had been wounded at the second battle of Yorktown Over the next many years chance meetings occurred between the two families through the dust of Texas trail drives wars and homesteading in Oklahoma Territory Then in 1922 the two families were forever joined as Arthur William Parker courted and wed Lena May Thompson In 1935 and 1936 the Parker sharecrop farm was devastated by the depression drought and choking dust storms of the 1930s In 1937 Most members of both extended families joined the long trail of okies headed for California in search of a better life

**Bulldozer Revolutions** Andrew C. Baker, 2018-11-15 By examining the metropolitan fringes of Houston in Montgomery County Texas and Washington D C in Loudoun County Virginia this book combines rural environmental and agricultural history to disrupt our view of the southern metropolis Andrew C Baker examines the local boosters gentlemen farmers historical preservationists and nature seeking suburbanites who abandoned the city to live in the metropolitan countryside during the twentieth century These property owners formed the vanguard of the antigrowth movement that has defined metropolitan fringe politics across the nation In the rural South subdivisions reservoirs homesteads and historical villages each obscured the troubling legacies of racism and rural poverty and celebrated a refashioned landscape That landscape s historical and environmental authenticity served as a foil to the alienation and ugliness of suburbia Using a source base that includes the records of preservation organizations and local state and federal government agencies as well as oral histories Baker explores the distinct roots of the environmental politics and the shifting relationship between city and country within these metropolitan fringe regions
