Stevens, Molly C. O'Donnell, 2020-01-23 Everybody knows and maybe even loves a microgenre Plague romances and mommy memoirs Nudie cutie movies Nazi zombies and dinosaur erotica Baby burlesks Minecraft fiction grindcore premature ejaculation poetry microgenres come in all varieties and turn up in every form of media under the sun tailor made for enthusiasts of all walks of life Coming into use in the last decade or so the term microgenre classifies increasingly niche marketed worlds in popular music fiction television and the Internet Netflix has recently highlighted our fascination with the ultra niche genre with hilariously specific classifications independent supernatural dramedy featuring a strong female lead that can sometimes hit a little too close to home Each contribution in

this collection introduces readers to a different microgenre drawn from a range of historical periods and from a variety of media The Microgenre presents a previously untreated point of cultural curiosity revealing the profound truth that humanity's desire to classify is often only matched by the unsustainability of the obscure and hyper specific It also affirms in colorful detail what most people suspect but have trouble fathoming in an increasingly homogenized and commercial West that imaginative projects are just that imaginative diverse and sometimes completely and hilariously inexplicable The Endermen Invasion Winter Morgan,2014-11-18 Will a griefer destroy Steve's hope of winning the elite building competition This adventure series is created especially for readers who love the fight of good vs evil magical academies like Hogwarts in the Harry Potter saga and games like Minecraft Terraria and Pokemon GO In this third installment of the Minecraft Gamer's Adventure series Steve is invited to participate in an elite building competition on Mushroom Island His friends Max Lucy and Henry are impressed and want to join their friend on a journey to the island Yet not everyone is happy Steve's neighbor Kyra is upset because she wasn't chosen as a contestant Steve asks Kyra to come to the competition and help the gang build boats to get to Mushroom Island She agrees and the group sets out on an adventure to the contest Getting there is half the fun and the group treks through the jungle where they find a rare temple filled with treasure But getting the treasure isn't easy and they have to fight fierce battles to continue their journey After their exhilarating and rewarding journey to the contest they finally make their way onto the island and meet the judges as well as the other four contestants whose egos are as big as the houses they are building Steve builds his dream house to impress the judges but just as they begin judging the island is overrun with Endermen Mushroom islands are known for not having hostile mobs so everyone knows it's the work of a griefer Is it one of the contestants Nobody knows but they all have to work together to battle this invasion of the Endermen Will they be able to defeat the Endermen and find out who the griefer is And who will win the building contest Find out in this thrilling third installment of the Minecraft Gamer's Adventure series Sky Pony Press with our Good Books Racehorse and Arcade imprints is proud to publish a broad range of books for young readers picture books for small children chapter books books for middle grade readers and novels for young adults Our list includes bestsellers for children who love stories told with LEGO bricks books that teach lessons about tolerance patience and the environment and much more We also publish books for fans of Minecraft and Pokemon GO including books full of useful hacks tips and tricks as well as Minecraft adventure stories for readers who love the fight of good vs evil and magical academies similar to Hogwarts in the Harry Potter saga While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **The World of Minecraft** Mojang AB,2024-10-15 Uncover the history of one of the most influential games of all time in The World of Minecraft Explore how the critically acclaimed game evolved from a one person project in 2009 to the global gaming phenomenon it is today The World of Minecraft is the definitive account of the game's history combining exclusive interviews

from the Mojang studio and recollections from long standing members of the gaming community Read the stories behind mods like Feed The Beast the growth of community defining servers like Hypixel and YouTube channels like The Yogscast plus a personal account from Lydia Winters on the creation of Alex the impact of Minecraft charity Block by Block the origin of the phantom and many more insights This must have collector s item includes a foreword from chief creative officer Jens Jeb Bergensten and an afterword from vanilla Minecraft game director Agnes Larsson plus original concept art beautifully detailed renders and previously unseen archive materials that illustrate how the game has developed over its first fifteen years Journey back into past eras of the game and look to the future in this comprehensive chronicle of Minecraft s story
