occur With only steps away from achieving the impossible everything for Inga had been destroyed all over again The fruits of her hard work and her continuous efforts were ruined Realizing that its not events or the choices of others that can break her with the Lords intervention Inga picked herself up and continued her journey in spite of the odds Intended to inspire and ignite faith Unstoppable becomes more than a harrowing account it is a book that reveals it inescapably touches the heart but delves as well into the secrets that kept Inga going equipping readers with the knowledge to break through their own hardships overcome their obstacles and to achieve the goals most important to the life theyve been chosen to live **The Skissley Diaries** Bonnie Bachman,2011-02 Skissley lives a sheltered 1950s childhood on a Nebraska farm until ills from the outside infiltrate her world shatter her naive beliefs and propel her on a quest for understanding **The Task of Today and Other Seminal Essays** Nsokika Fonlon,2012-06-28 This book brings together six seminal essays by Professor Bernard Nsokika Fonlon essays first published mostly in the 1960s in ABBIA Cameroon Cultural Review and in the pages of leading newspapers in Cameroon Preoccupied with the cultural dignity humanity and freedom of Africa and Africans Fonlon never contented himself with stating the problem In a very Socratic and scientifically systematic approach he proposed solutions as well Patiently pedagogical philosophical and steeped in the classics he convinced his readers through the force of argument In The Task of Today Fonlon invites Cameroonians and Africans to face the challenge of nation building and development in a world where imperialism is far from dead and buried Random Leaves from My Diary shares his aspirations and challenging experiences as a young seminarian learning to be relevant to God and the Catholic Church In Will We Make or Mar Fonlon is worried and indeed frustrated by the temptations of material pursuits and the love of money threatening to derail modern elites charged with the postcolonial destiny of African nations As a member of the Cameroon National Union in Under the Sign of the Rising Sun Fonlon preaches patriotism and compromise In Idea of Literature Fonlon expresses his passion for art as the pursuit of beauty and the sublime stressing as he was wont to do that no race or culture has a monopoly of this aspiration A Case for Early Bilingualism invites Cameroonians to take advantage of their English and French linguistic colonial heritage by embracing bilingualism in early childhood and playing a major role in an interconnected world where interpretation and translation is eternally needed *Farthest North: Being the Record of a Voyage of Exploration of the Ship ÒFramÓ 1893Ð96 and of a Fifteen MonthsÕ Sleigh Journey by Dr. Nansen and Lieut. Johansen (Complete)* Fridtjof Nansen,2020-09-28 Unseen and untrodden under their spotless mantle of ice the rigid polar regions slept the profound sleep of death from the earliest dawn of time Wrapped in his white shroud the mighty giant stretched his clammy ice limbs abroad and dreamed his age long dreams Ages passed deep was the silence Then in the dawn of history far away in the south the awakening spirit of man reared its head on high and gazed over the earth To the south it encountered warmth to the north cold and behind the boundaries of the unknown it placed in imagination the twin kingdoms of consuming heat and of deadly cold But the limits of the unknown had to recede step by step before the ever increasing yearning after light and knowledge

of the human mind till they made a stand in the north at the threshold of Nature's great Ice Temple of the polar regions with their endless silence Up to this point no insuperable obstacles had opposed the progress of the advancing hosts which confidently proceeded on their way But here the ramparts of ice and the long darkness of winter brought them to bay Host after host marched on towards the north only to suffer defeat Fresh ranks stood ever ready to advance over the bodies of their predecessors Shrouded in fog lay the mythic land of Nivlheim where the Rimturser 1 carried on their wild gambols Why did we continually return to the attack There in the darkness and cold stood Helheim where the death goddess held her sway there lay N strand the shore of corpses Thither where no living being could draw breath thither troop after troop made its way To what end Was it to bring home the dead as did Hermod when he rode after Baldur No It was simply to satisfy man's thirst for knowledge Nowhere in truth has knowledge been purchased at greater cost of privation and suffering But the spirit of mankind will never rest till every spot of these regions has been trodden by the foot of man till every enigma has been solved Minute by minute degree by degree we have stolen forward with painful effort Slowly the day has approached even now we are but in its early dawn darkness still broods over vast tracts around the Pole Our ancestors the old Vikings were the first Arctic voyagers It has been said that their expeditions to the frozen sea were of no moment as they have left no enduring marks behind them This however is scarcely correct Just as surely as the whalers of our age in their persistent struggles with ice and sea form our outposts of investigation up in the north so were the old Northmen with Eric the Red Leif and others at their head the pioneers of the polar expeditions of future generations
