**the Heart of an Illusion...** Justin Forrest, 2019-08-08 This book so far has been one of the hardest things that I've written. In so many tears that have laid on the canvas of my creation so many pools of self-doubt that I had to separate out of my mind so many heartaches that have turned me into the poet that utilizes the anguish for his art in expressing another side of himself this book for me is my medicine. I made the title a part of what I thought I've become with the transitioning of my father and both the grandmothers on my mother and father's side my dog in 2017 and with the heartaches love in a European value system can bring. In the Heart of an Illusion is more than just a love story but the story of life death and rebirth into a becoming that is more suitable for me. It's the pain I experienced as a child finally surfacing in the poem And then Another Victim Was Found and Yesterday's False Promises Are with the Sins of the Father just to name a few. My childhood was great but I am still a human and sometimes I am unable to articulate my sadness so here I go *Hieratic, Demotic and Greek Studies and Text Editions* Cary J. Martin, Francisca A.J. Hoogendijk, Koenraad Donker van Heel, 2018-06-12 This volume is a Festschrift in honour of Sven Vleeming containing the contributions of thirty-eight friends and colleagues often renowned specialists in their respective fields. It includes the editions of fifty-four new texts from Ancient Egypt that date from the 7th century BCE to the 2nd century CE and covers a very wide range of subjects in Abnormal Hieratic Demotic and Greek papyrology. As such it reflects the equally wide range of knowledge of the scholar to whom this book is dedicated.

**A Berichtigungsliste of Demotic Documents: Papyrus editions** A. A. den Brinker, Brian Paul Muhs, S. P. Vleeming, 2005 There seems to be no brief English equivalent for the concept of a Berichtigungsliste. This demotic Berichtigungsliste collects and critically presents corrections and supplements to editions of demotic documentary texts: papyri ostraka inscriptions mummy labels graffiti everything demotic that was not clearly written as a secular or religious literary composition. We have added all the information we have found concerning inventory numbers and photographs as well as republications of the texts in question which the scholar working with these texts might like to have. Although the Berichtigungsliste chiefly concerns text editions, be they published in monographs or articles, texts that have been published only in photography or facsimile are also included. The period covered for the publications that have been ransacked for the purpose of our Berichtigungsliste is roughly the Twentieth Century 1900-2000. In subsequent volumes we intend to extend this time range into the Nineteenth Century as well as into the future.
