Q1 What is the kind of pain and ache that the poet feels?

Answer: The poet sees adversities of old age on her old mother's face. The poet feels old age is taking over her mother gradually. Poet considers old age as the most dull period of one's life where everything is weathering. Poet can feel death approaching towards her mother. Old age is the ultimate road to death. Poet is not ready to accept the death of her mother so soon but at the same time she is aware of the sudden loss which may occur any moment.

Q2 Why are the young trees described as "sprinting"?

Answer: The poem presents with various images. The image of sprinting means time moving fastly. The trees represent young and vitality of youth. The sprinting of trees also means time is passing away fast and human beings are moving towards their end. The sprinting of trees is contrasted with old mother.
