THE CRUEL MESSIAH Andrew Fitzpatrick, 2024-12-17 Andrew Fitzpatrick 671396 Insanity Even to Newgate that word meant as much to Newgate as butter was to bread As DCI of Dalgathern Murder Squad who d thought he d seen it all nothing could prepare neither the seasoned detective nor his colleagues as the first of fourteen serial killings appeared as sure as the dread that followed each time the full moon ruled the heavens above Dalgathern Seven newlywed brides are brutalised then murdered as they lie beside the bludgeoned bodies of their still warm husbands Humiliated brutalised tortured then murdered and all found with pages from The Book of Revelations stuffed into their mouths post mortem After the first died by the hand of this madman the media dubbed The Cruel Messiah Newgate pledges his word that twenty three year old newlywed Suzanne McGilvrey's rapist and murderer would answer for his crime Perhaps a promise Newgate could never honour as all leads run dry and the streets are unwilling to surrender their secrets Then Newgate is summoned to a retirement home for the elderly and the boastful words of a dying man who claims to be none other than The Cruel Messiah and someone who s more than willing to talk Unconvinced Newgate travels to the retirement home Spartan Heights to interview a madman who seems to know too much about each crime scene and each of the female victims torturous deaths Too good to be true Perhaps but as the interview commences Newgate isn t as sure as he is seated next to a madman but a cunning serial killer with a big mouth and nothing to lose Newgate is soon convinced the words spoken by this madman are truly the words of a serial killer and the words of The Cruel Messiah but as the murders continue Newgate wonders if the The DVD-laser Disc Newsletter greatest of questions might actually lie closer to home The Author Andrew Fitzpatrick ,2002 The Spartan Chronicles Nadia Aidan, 2012-08 Book one in The Spartan Chronicles Series When a spirited Carthaginian slave and a noble Spartan general are thrust together passion flourishes between the unlikely pair But is passion enough to weather the turmoil of treachery war and murder brewing in Ancient Sparta Ripped from her home and forced into slavery Lamia escapes from one master only to find herself the prisoner of another handsome Spartan general Thanos Aristaeus Lamia vows never to surrender to Thanos who openly desires her body Yet she never imagines he will also threaten to steal her heart General Thanos Aristaeus couldn t have anticipated that his brief trip to Athens would yield him a spirited Carthaginian beauty who despises his very existence Lamia defies him at every turn but Thanos soon learns that lurking beneath the surface of her vehement denials of him is desire a desire which she fails to disguise and is equally matched by his own passion for her Unable to deny the scorching attraction between them the pair find themselves embroiled in a heated affair one that is doomed to meet a bitter end when faced with the political turmoil brewing in Ancient Greece Torn between their two worlds Thanos and Lamia must ultimately decide if they are willing to sacrifice everything for a love they never imagined they would find Treachery war and murder can an unexpected and unlikely love flourish when faced with such obstacles Lamia and Thanos are about to find out Mae West Jill Watts, 2003-04-17 Why don t you come up

and see me sometime Mae West invited and promptly captured the imagination of generations Even today years after her death the actress and author is still regarded as the pop archetype of sexual wantonness and ribald humor But who was this saucy starlet a woman who was controversial enough to be jailed pursued by film censors and banned from the airwaves for the revolutionary content of her work and yet would ascend to the status of film legend Sifting through previously untapped sources author Jill Watts unravels the enigmatic life of Mae West tracing her early years spent in the Brooklyn subculture of boxers and underworld figures and follows her journey through burlesque vaudeville Broadway and finally Hollywood where she quickly became one of the big screen's most popular and colorful stars Exploring West's penchant for contradiction and her carefully perpetuated paradoxes Watts convincingly argues that Mae West borrowed heavily from African American culture music dance and humor creating a subversive voice for herself by which she artfully challenged society and its assumptions regarding race class and gender Viewing West as a trickster Watts demonstrates that by appropriating for her character the black tradition of double speak and signifying West also may have hinted at her own African American ancestry and the phenomenon of a black woman passing for white This absolutely fascinating study is the first comprehensive interpretive account of Mae West's life and work It reveals a beloved icon as a radically subversive artist consciously creating her own complex image What Do I Read Next?
