My Forbidden Face Latifa,2008-09-04 Latifa was born into an educated middle class Afghan family in Kabul in 1980 She dreamed of one day of becoming a journalist she was interested in fashion movies and friends Her father was in the import export business and her mother was a doctor Then in September 1996 Taliban soldiers seized power in Kabul From that moment Latifa just 16 years old became a prisoner in her own home Her school was closed Her mother was banned from working The simplest and most basic freedoms walking down the street looking out a window were no longer hers She was now forced to wear a chadri My Forbidden Face provides a poignant and highly personal account of life under the Taliban regime With painful honesty and clarity Latifa describes the way she watched her world falling apart in the name of a fanatical interpretation of a faith that she could not comprehend Her voice captures a lost innocence but also echoes her determination to live in freedom and hope Earlier this year Latifa and her parents escaped Afghanistan with the help of a French based Afghan resistance group *The Taliban* Mark Silinsky,2014-04-17 Understand the complexities of the most lethal insurgent group of America s longest war the Taliban Battle hardened tribally oriented and deeply committed to its cause the Taliban has proven itself resourceful adaptable and often successful As such the Taliban presents a counterinsurgency puzzle for which the United States has yet to identify effective military tactics information operations and Coalition developmental policies Written by one of the Department of the Army s leading intelligence and military analysts on the Taliban this book covers the group s complete history including its formation ideology and political power as well as the origins of its current conflict with the United States The work carefully analyzes the agenda capabilities and support base of the Taliban forecasts the group s likely course of action to retake Afghanistan and details the Coalition forces probable counterinsurgency responses Author Mark Silinsky also reviews the successes and failures of the latest U S counterinsurgency doctrine to extrapolate the best strategies for future counterinsurgency campaigns *With All Our Strength* Anne E. Brodsky,2004-06-01 With All Our Strength is the inside story of this women led underground organization and their fight for the rights of Afghan women Anne Brodsky the first writer given in depth access to visit and interview their members and operations in Afghanistan and Pakistan shines light on the gruesome often tragic lives of Afghan women under some of the most brutal sexist oppression in the world Women's Writing and Muslim Societies Sharif Gemie,2012-11-15 An analysis of a hundred prominent commercially successful works by women both Muslim and non Muslim concerning Muslim living in the Middle East North Africa Europe the UK and the USA *Being Muslim* Sylvia Chan-Malik,2018-06-26 2018 Outstanding Academic Title given by Choice Magazine An exploration of twentieth and twenty first century U S Muslim womanhood that centers the lived experience of women of color For Sylvia Chan Malik Muslim womanhood is constructed through everyday and embodied acts of resistance what she calls affective insurgency In negotiating the histories of anti Blackness U S imperialism and women s rights of the twentieth and twenty first centuries Being Muslim explores how U S

Muslim women's identities are expressions of Islam as both Black protest religion and universal faith tradition. Through archival images, cultural texts, popular media, and interviews, the author maps how communities of American Islam became sites of safety, support, spirituality, and social activism, and how women of color were central to their formation. By accounting for American Islam's rich histories of mobilization and community, *Being Muslim* brings insight to the resistance that all Muslim women must engage in the post-9/11 United States. From the stories that she gathers, Chan Malik demonstrates the diversity and similarities of Black, Arab, South Asian, Latina, and multiracial Muslim women, and how American understandings of Islam have shifted against the evolution of U.S. white nationalism over the past century. In borrowing from the lineages of Black and women of color feminism, Chan Malik offers us a new vocabulary for U.S. Muslim feminism, one that is as conscious of race, gender, sexuality, and nation as it is region and religion.

Apocalyptic Realm Dilip Hiro, 2012-04-17 This hard-hitting and timely book explores the roots of militant Islam in South Asia and how it has grown to become a source of profound global alarm. By meticulously tracking the rise of the jihadist movement from its initial violence in Afghanistan in 1980 to the present day, Dilip Hiro challenges conventional narratives of the roles of Afghanistan, Pakistan, the Soviet Union, the United States, and India. He warns that the Line of Control in Kashmir, where jihadists seek to incite war between nuclear-armed Pakistan and India, is today the most dangerous border in the world. Drawing on evidence from a wide variety of sources, including newly released Kremlin archives and classified U.S. Embassy documents published by WikiLeaks, the author compiles the first complete and accurate history of Islamist terrorism in South Asia. He chronicles historic links between Pakistan, Afghanistan, and India and their varying degrees of destabilization at the hands of the jihadists. He also sheds unprecedented light on the close military and intelligence links that have developed between India and Israel. Finally, he outlines the ambitions of Pakistani, Afghan, and Al Qaeda jihadists to establish an apocalyptic realm covering South Central and Western Asia. Compact, comprehensive, and fast-paced, this book lays bare the causes of today's escalating terrorist threat, sets the historical record straight, and offers fresh strategies for defeating jihadist extremism.

Adolescents in the Search for Meaning Mary L. Warner, 2006-03-03 As is painfully evident from the reports of school shootings, gang violence, dysfunctional family life, and from statistics on adolescent suicide, many teens live troubled lives. Even those who live a normal life still face the challenges adults face, but teens are also engaged in establishing independence and finding their identity. However, few adolescents have the same resources as adults for surviving life challenges. Building from the idea that story is a powerful source of meaning, particularly those stories that resonate with our own lives, this book suggests that the stories of other young adults offer a resource yet to be fully tapped. *Adolescents in the Search for Meaning* begins from the perspective of young adults by sharing the results of a survey of over 1400 teens and also includes the insights of authors of Young Adult Literature. The book presents over 120 novels that teens have identified as meaningful, as well as books recommended by YA authors and experts in the field of YA literature. For any teacher, librarian, parent, or counselor wanting to reach young adults,
