Some Nuggets from the Book There is no disgrace in honest failure there is disgrace in fearing to fail The natural thing to do is to work to recognize that prosperity and happiness can be obtained only through honest effort I cannot say that it was hard work No work with interest is ever

hard I always am certain of results They always come if you work hard enough But it was a very great thing to have my wife even more confident than I was She has always been that way That is the way with wise people they are so wise and practical that they always know to a dot just why something cannot be done they always know the limitations That is why I never employ an expert in full bloom If ever I wanted to kill opposition by unfair means I would endow the opposition with experts They would have so much good advice that I could be sure they would do little work Scroll Up and Get Your Copy Timeless Classics for Your Bookshelf Classic Books for Your Inspiration and Entertainment Visit Us at [goo gl 0oisZU](http://goo.gl/0oisZU) **My Life and Work: Henry Ford's Autobiography, with a History of the Ford Motor Company** Henry Ford,2018-08-28 My Life and Work is the autobiography of Henry Ford a businessman who revolutionized automotive manufacture in the early 20th century This book takes us through the major episodes of Ford s life from his early beginnings and the development of his successful commercial endeavors Ford s ideas on achieving the greatest efficiency during the process of automobile creation remain influential today Namely in what is now called the Just in Time method of production wherein a complex product is manufactured with each part made ready at the precise moment of assembly Released in 1922 the autobiography was penned partly in response to the groundswell of public attention lavished upon one of the most visible technological advances to appear at the time The famous Model T car in just a decade went from obscure gadget to worldwide symbol of the motor vehicle revolution spearheaded by the Ford Motor Company *My Life and Work* Henry Ford,2015-10-19 The book that has inspired entrepreneurs for generations This book is Henry Ford s original autobiography founder of the Ford Motor Company In this book you will learn how Henry Ford got into business his business philosophy and business acumen the strategies that he used to become a wealthy and successful industrialist and what others can do by learning from the examples he has outlined This book must read by budding small business owners business students and those interested in the history of the automobile Henry Ford will take you through a journey of history business and lessons to be learned from which he used to develop his business empire If you are interested in the world of enterprise this book is a must read *My Life and Work* Henry Ford,2019-08-17 The Merry Adventures of Robin Hood of Great Renown in Nottinghamshire is an 1883 novel by the American illustrator and writer Howard Pyle *The Autobiography of Henry Ford* ,2019 **My Life and Work** Henry Ford,Samuel Crowther,2023-07-08 Reproduction of the original **My Life and Work - The Original Classic Edition from 1922** Henry Ford,2018-11-28 My Life And Work The Autobiography of Henry Ford Written in collaboration with Samuel Crowther First published in 1922 On May 31 1921 the Ford Motor Company turned out Car No 5 000 000 It is out in my museum along with the gasoline buggy that I began work on thirty years before and which first ran satisfactorily along in the spring of 1893 It was life on the farm that drove me into devising ways and means to better transportation I was born on July 30 1863 on a farm at Dearborn Michigan and my earliest recollection is that considering the results there was too much work on the place That is the way I still feel about farming There is a legend that my parents were very poor and that the

early days were hard ones Certainly they were not rich but neither were they poor There was too much hard hand labour on our own and all other farms of the time Even when very young I suspected that much might somehow be done in a better way That is what took me into mechanics although my mother always said that I was born a mechanic **My Life and Work** Henry Ford, 2015-11-17 We have only started on our development of our country we have not as yet with all our talk of wonderful progress done more than scratch the surface The progress has been wonderful enough but when we compare what we have done with what there is to do then our past accomplishments are as nothing When we consider that more power is used merely in ploughing the soil than is used in all the industrial establishments of the country put together an inkling comes of how much opportunity there is ahead And now with so many countries of the world in ferment and with so much unrest every where is an excellent time to suggest something of the things that may be done in the light of what has been done When one speaks of increasing power machinery and industry there comes up a picture of a cold metallic sort of world in which great factories will drive away the trees the flowers the birds and the green fields And that then we shall have a world composed of metal machines and human machines With all of that I do not agree I think that unless we know more about machines and their use unless we better understand the mechanical portion of life we cannot have the time to enjoy the trees and the birds and the flowers and the green fields I think that we have already done too much toward banishing the pleasant things from life by thinking that there is some opposition between living and providing the means of living We waste so much time and energy that we have little left over in which to enjoy ourselves **My Life and Work (Illustrated)** Henry Ford, 2017-04-26 My Life and Work is the autobiography of Henry Ford Written in conjunction with Samuel Crowther My Life and Work chronicles the rise and success of one of the greatest American entrepreneurs and businessmen Henry Ford and the Ford Motor Company will forever be identified with early 20th century American industrialism The innovations to business and direct impact on the American economy of Henry Ford and his company are immeasurable His story is brilliantly chronicled in this classic American biography **My Life and Work** Henry Ford, 2020-05-06 One world's richest and best known people in his day Henry Ford was the founder of Ford Motor Company and a pioneering innovator of mass production Ford's autobiography My Life and Work gives personal insight into the life of this prolific inventor and titan of industry For the time Ford awarded high wages to his workers despite his driving commitment towards reducing costs which he did instead through the channels of business and technological innovation Ford's vision held consumerism as a cornerstone of global peace and prosperity In spite of not believing in accountants Ford amassed an enormous wealth most of which he left to the Ford Foundation **Henry Ford** Henry Ford, 2021-01-02 A timeless lesson about life and business from the legendary entrepreneur Henry Ford Few books about business could be more relevant in today's fast paced technology driven world than Henry's Ford's classic My Life and Work First printed in 1922 this restored Enlarged Special Edition includes Easy to read 7 x 10 pages Classic type font Author's original page layouts New retro inspired cover design The name

Ford is synonymous with automobiles but Henry Ford was much more than just a name. He was a brilliant inventor, entrepreneur, and a genius at business. Born in 1863, Ford is regarded as the father of the modern assembly line technology and mass production. The founder of the Ford Motor Company saw a future where machines and employees worked side by side for the betterment of business and society. In today's tech landscape, fueled by greed and a lack of business ethics, the words of Mr. Ford are more relevant than ever.
