## **My Own Written Bible Of Wisdom:**

**My Own Written Bible of Wisdom** Oluwasegun Oyesanya, 2014-08-20 Real Life living Proverbs **Sure** Tim Menser, 2015-11-11 I went on a journey to find the truth about Gods Word and how it applied to my life The first thing I discovered was that God wanted more for me than to rescue me from hell He wanted to walk with me every day of my life He wanted me to trust Him and His Word so I could be sure about my faith Have you ever been confused about the basic foundations of the Christian faith Author Tim Menser describes a time in his life when he began searching for the foundational truths of Christianity so he could be sure about what he believed **Sure** Knowing What You Believe and Why You Believe It presents the foundational truths of the faith in a simple to understand format Menser explains the basic concepts of the faith such as the Bible Trinity Humanity Sin Salvation and the End Time in a straightforward manner that is both clear and Biblically grounded Each chapter includes the Key Theology the Key Truth a Key Verse and several Key Questions to guide understanding of each concept *The Express* Joanna Southcott, 1909 Collected Tracts Joanna SOUTHCOTT, 1801

*A Writers Journey* Patrick J Vaughan, 2014-11-02 This initially did not start out as my journey or even as a book It began as smaller blogs on my Facebook page TRUTH FOR TODAY I headed this blog up as Writing of the Week Each week I would write about one of the books I have written These not only promoted these books but also there was a lot of insight written in them There was a lot of history of the past several years when I started becoming an Christian Author I began this journey in 1997 maybe even some preparation and rejection several years earlier I decided to compile all of these blogs into one file I thought that this might be a good thing to place on my author page as an introduction to myself and my writings I started reviewing these and these not only told about each book and subject matter but also about my history that I was going through It told of my success and also told of my failures It revealed my frustrations but also revealed my faith It revealed my faith my walk with the Lord over several years and also how I had grown in that walk Honestly I stand back and look at all these and am amazed at what the Lord had built Yes I said what the Lord has built through me These also tell about me Tells about me as a writer but also tells about me as a person You get to know the content of these writings but you get to know the writer of all these books Maybe it would still have been a good post on an author page but the more I looked at this and read this it has so much information and teaching it also is a great book and biography on myself This will teach you how to get into writing if you are interested It will teach you about electronic book technology First you have to have the desire to write but this technology is really simple once you learn this and dive into it It doesn t matter if you are a Christian Author a children s book author a non fiction or fiction author The process is the same It is virtually no cost to you but can reap many benefits I thought making this free was a good idea but at low cost there is so many values and benefits to buying I know you will find this interesting and insightful You will learn much in this one writing that you would learn in years of experience It will make you think and meditate about many subjects It will test and try your faith But it will motivate you to begin

Everything begins with just one step one small step of faith At the very least it will introduce you to the different books I have written and which ones may be of more interest to your particular tastes or what you may be going through and thinking about now Be Blessed in all you do Do everything as unto the Lord and you will prosper in all you do PATRICK J VAUGHAN
