## **Myers Psychportal 10th Edition:**

**Psychology in Modules** David G. Myers, 2012-03-03 This modules based version of Myers best selling full length text Psychology breaks down the book's 16 chapters into 54 short modules Myers was inspired to create this text by the memory research in chunking showing that shorter reading assignments are more effectively absorbed than longer ones as well as by numerous students and teachers who expressed a strong preference for textbooks with more shorter chapters *Psychology* David G. Myers, 2011-12-25 David Myers bestselling Psychology has reached a wider audience of students and instructors with each new edition Myers and his team lead the field in being attuned to psychology's research and the needs of the instructors and students in the course today Ten million student class testers and thousands of adopting instructors can attest to the quality of this project True to form this landmark new Tenth Edition is another vigorous deeply considered revision *Psychology In Modules (Spiral)* David G. Myers, 2009-09-28 Why Myers David Myers has become the world's best selling introductory psychology author by serving the needs of instructors and students so well Each Myers textbook offers an impeccable combination of up to date research well crafted pedagogy and effective media and supplements Most of all each Myers text demonstrates why this author's style works so well for students with his signature compassionate companionable voice and superb judgment about how to communicate the science of psychology and its human impact Why Modules This modules based version of Myers best selling full length text Psychology breaking down that book's 16 chapters into 59 short modules is yet another example of the author's ability to understand what works in the classroom It comes from Myers experiences with students who strongly prefer textbooks divided into briefer segments instead of lengthier chapters and with instructors who appreciate the flexibility offered by the modular format Modular organization presents material in smaller segments Students can easily read any module in a single sitting Self standing modules Instructors can assign modules in their own preferred order The modules make no assumptions about what students have previously read Illustrations and key terms are repeated as needed This modular organization of short stand alone text units enhances teacher flexibility Instead of assigning the entire Sensation and Perception chapter instructors can assign the module on vision the module on hearing and or the module on the other senses in whatever order they choose Watch our new videos from David Myers here including our animation on THE TESTING EFFECT narrated by David Myers **PsychPortal for Myers, Psychology (6 month access)** David G. Myers, 2009-07-15 Created BY psychologists FOR psychologists Worth Publishers PsychPortal is an innovative course space that combines a powerful quizzing engine with unparalleled media resources It contains all the functionality you expect from a site that can serve as an independent online course but the core teaching and learning components are what make PsychPortal truly unique *Exploring Psychology in Modules (Loose Leaf) and PsychPortal Access Card* David G.
